ゼルダの伝説

神々のトライフォース

The Legend of Zelda

田口順子

Translated by

(sort of)

Hey everyone, I hope you enjoy this translation.

I am not fluent in Japanese even a little bit. This translation was made with various tools, including OCRs for reading the Japanese text, and cross-referencing translations from simple machine translations and from different LLMs to try to find the most accurate translation. LLMs are prone to guessing and hallucinating, so a lot of my time was spent breaking down the results for what seemed correct.

Because I would not be able to do an authentic translation, this is written with an eye for being a localization instead. I tried to punch up the dialogue where I could. In many places I inserted direct quotes from the video game A Link to the Past where it felt appropriate.

There are places where text is untranslated. This is typically for sound effects, where the imagery already gets the point across. There are also some bits of scribbled dialogue that I could not translate despite my best efforts because they were just too muddied to be able to read.

Ultimately this was all done because I love A Link to The Past and just wanted to read this manga. I would be thrilled if someone reads this and decided to make a more authentic translation and find all the nuances that I know I missed. Until then, I hope you all enjoy this reading!

Hey everyone! I'd personally be really happy to see you make fun things and posts with this. All I ask is:

1. Try to link back to **historyofhyrule.com**, somewhere, somehow, so people can find more info and other works, reach me if they have questions, or want to contribute other content. It's actually how I've found out about so many of these things and been able to get them to you in turn.

2: Please always try to be respectful of the original creators. I never want my site to come into conflict with any publishers or artists for making lost works accessible.

Because, in the 20 years I've been doing this, I have never once left scans up if something comes back into print again or ignored an artist's wishes. I only do the scanning work I do because, as an Zelda enthusiast, I don't want something that is actually out of print to be unknown and lost forever.

Thank you for understanding!

Long ago, the Sacred Realm was sealed away.
Hidden within it lies a legendary golden power: the Triforce.
It is said that whoever lays hands upon this divine force
can have any wish—no matter how grand—come true.

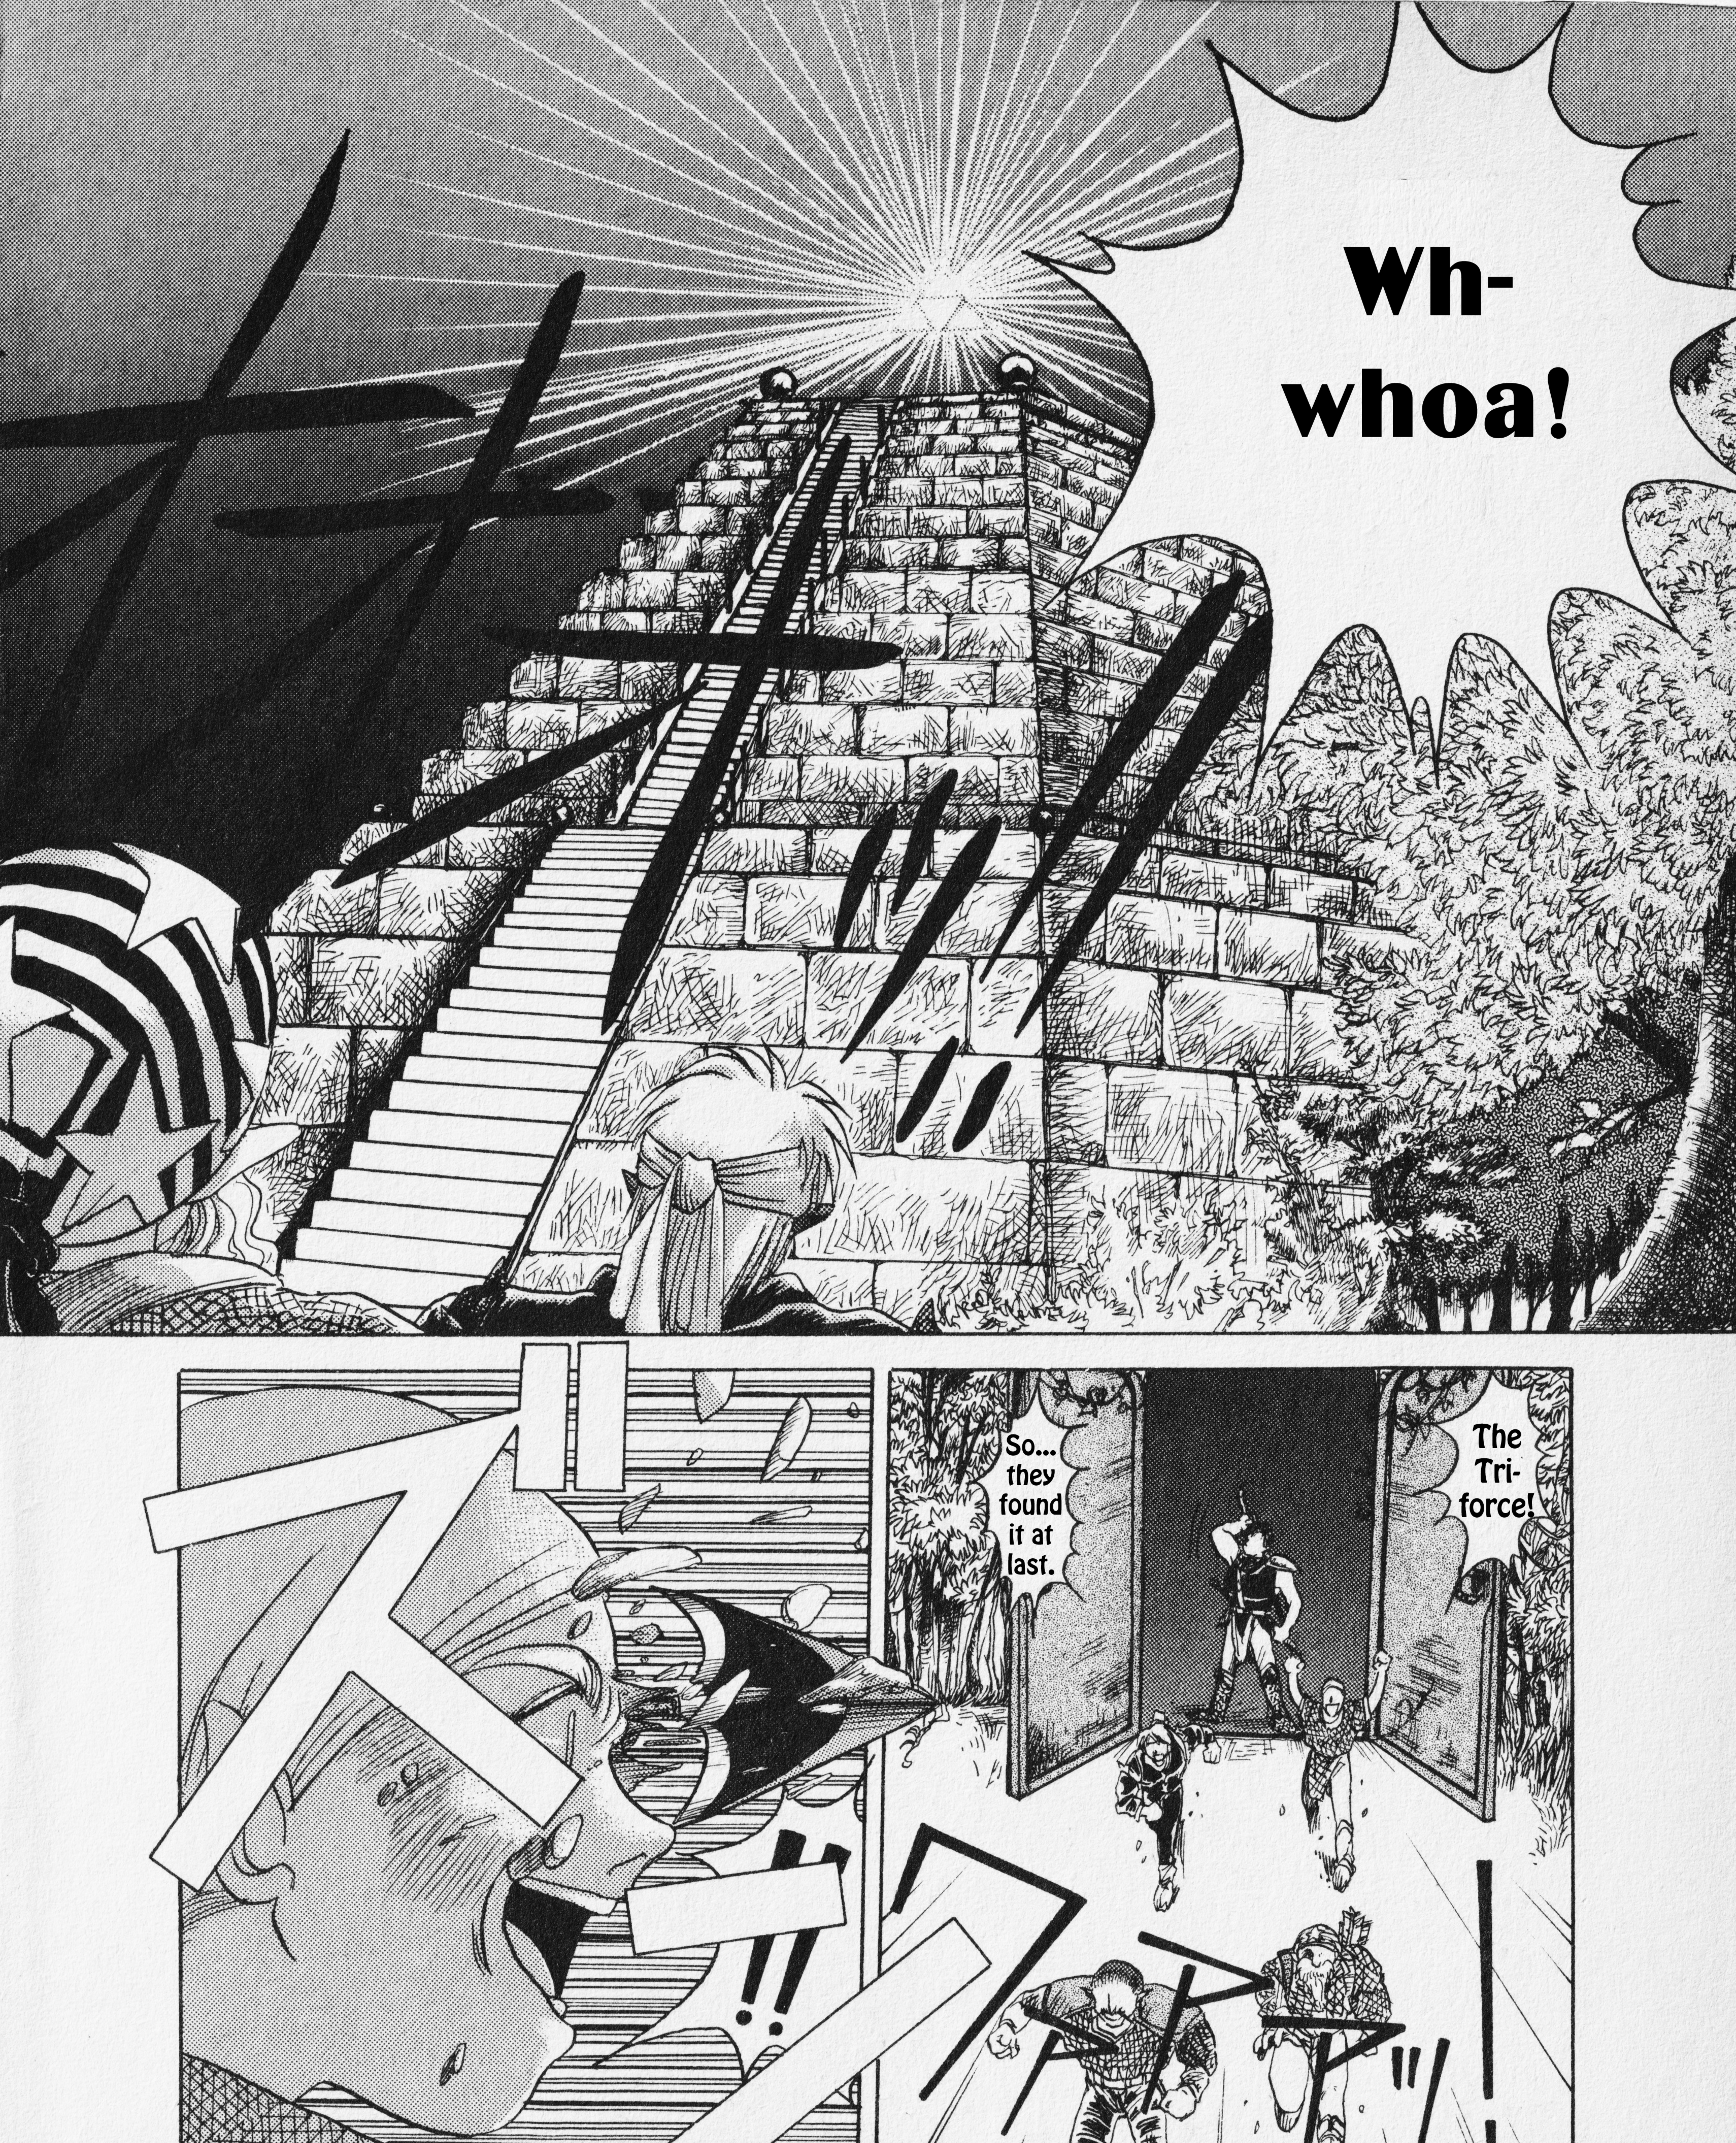
Tonight, yet again...
A new seeker of the golden power arrives.

There it is!!
What!?
Twisting branches and creeping vines grew thick together, hiding the entrance to the Sacred Realm from sight.
Get those vines out of the way! Open it— NOW!
It's finally open!



Wh-
whoa!
So... they found it at last.
The Tri-force!

Is that... the Triforce!?
This is it, the Triforce is in our hands!
ざわっ

His name was Ganondorf, the leader of this band of thieves.
You've all outlived your usefulness to me.
Shing!

へ…
へへっ
This power is mine. No one else will get the chance to take it from me.
!?

Upon seeing his twisted visage reflected in the Triforce, Ganondorf's smile turned to stone.
Was it only a manifestation of his own cruel heart? He had become as much a monster on the outside as he always had been on the inside.

Everyone... please listen!

Someone has claimed the Triforce!!
そして聖地を闇の世界に変え

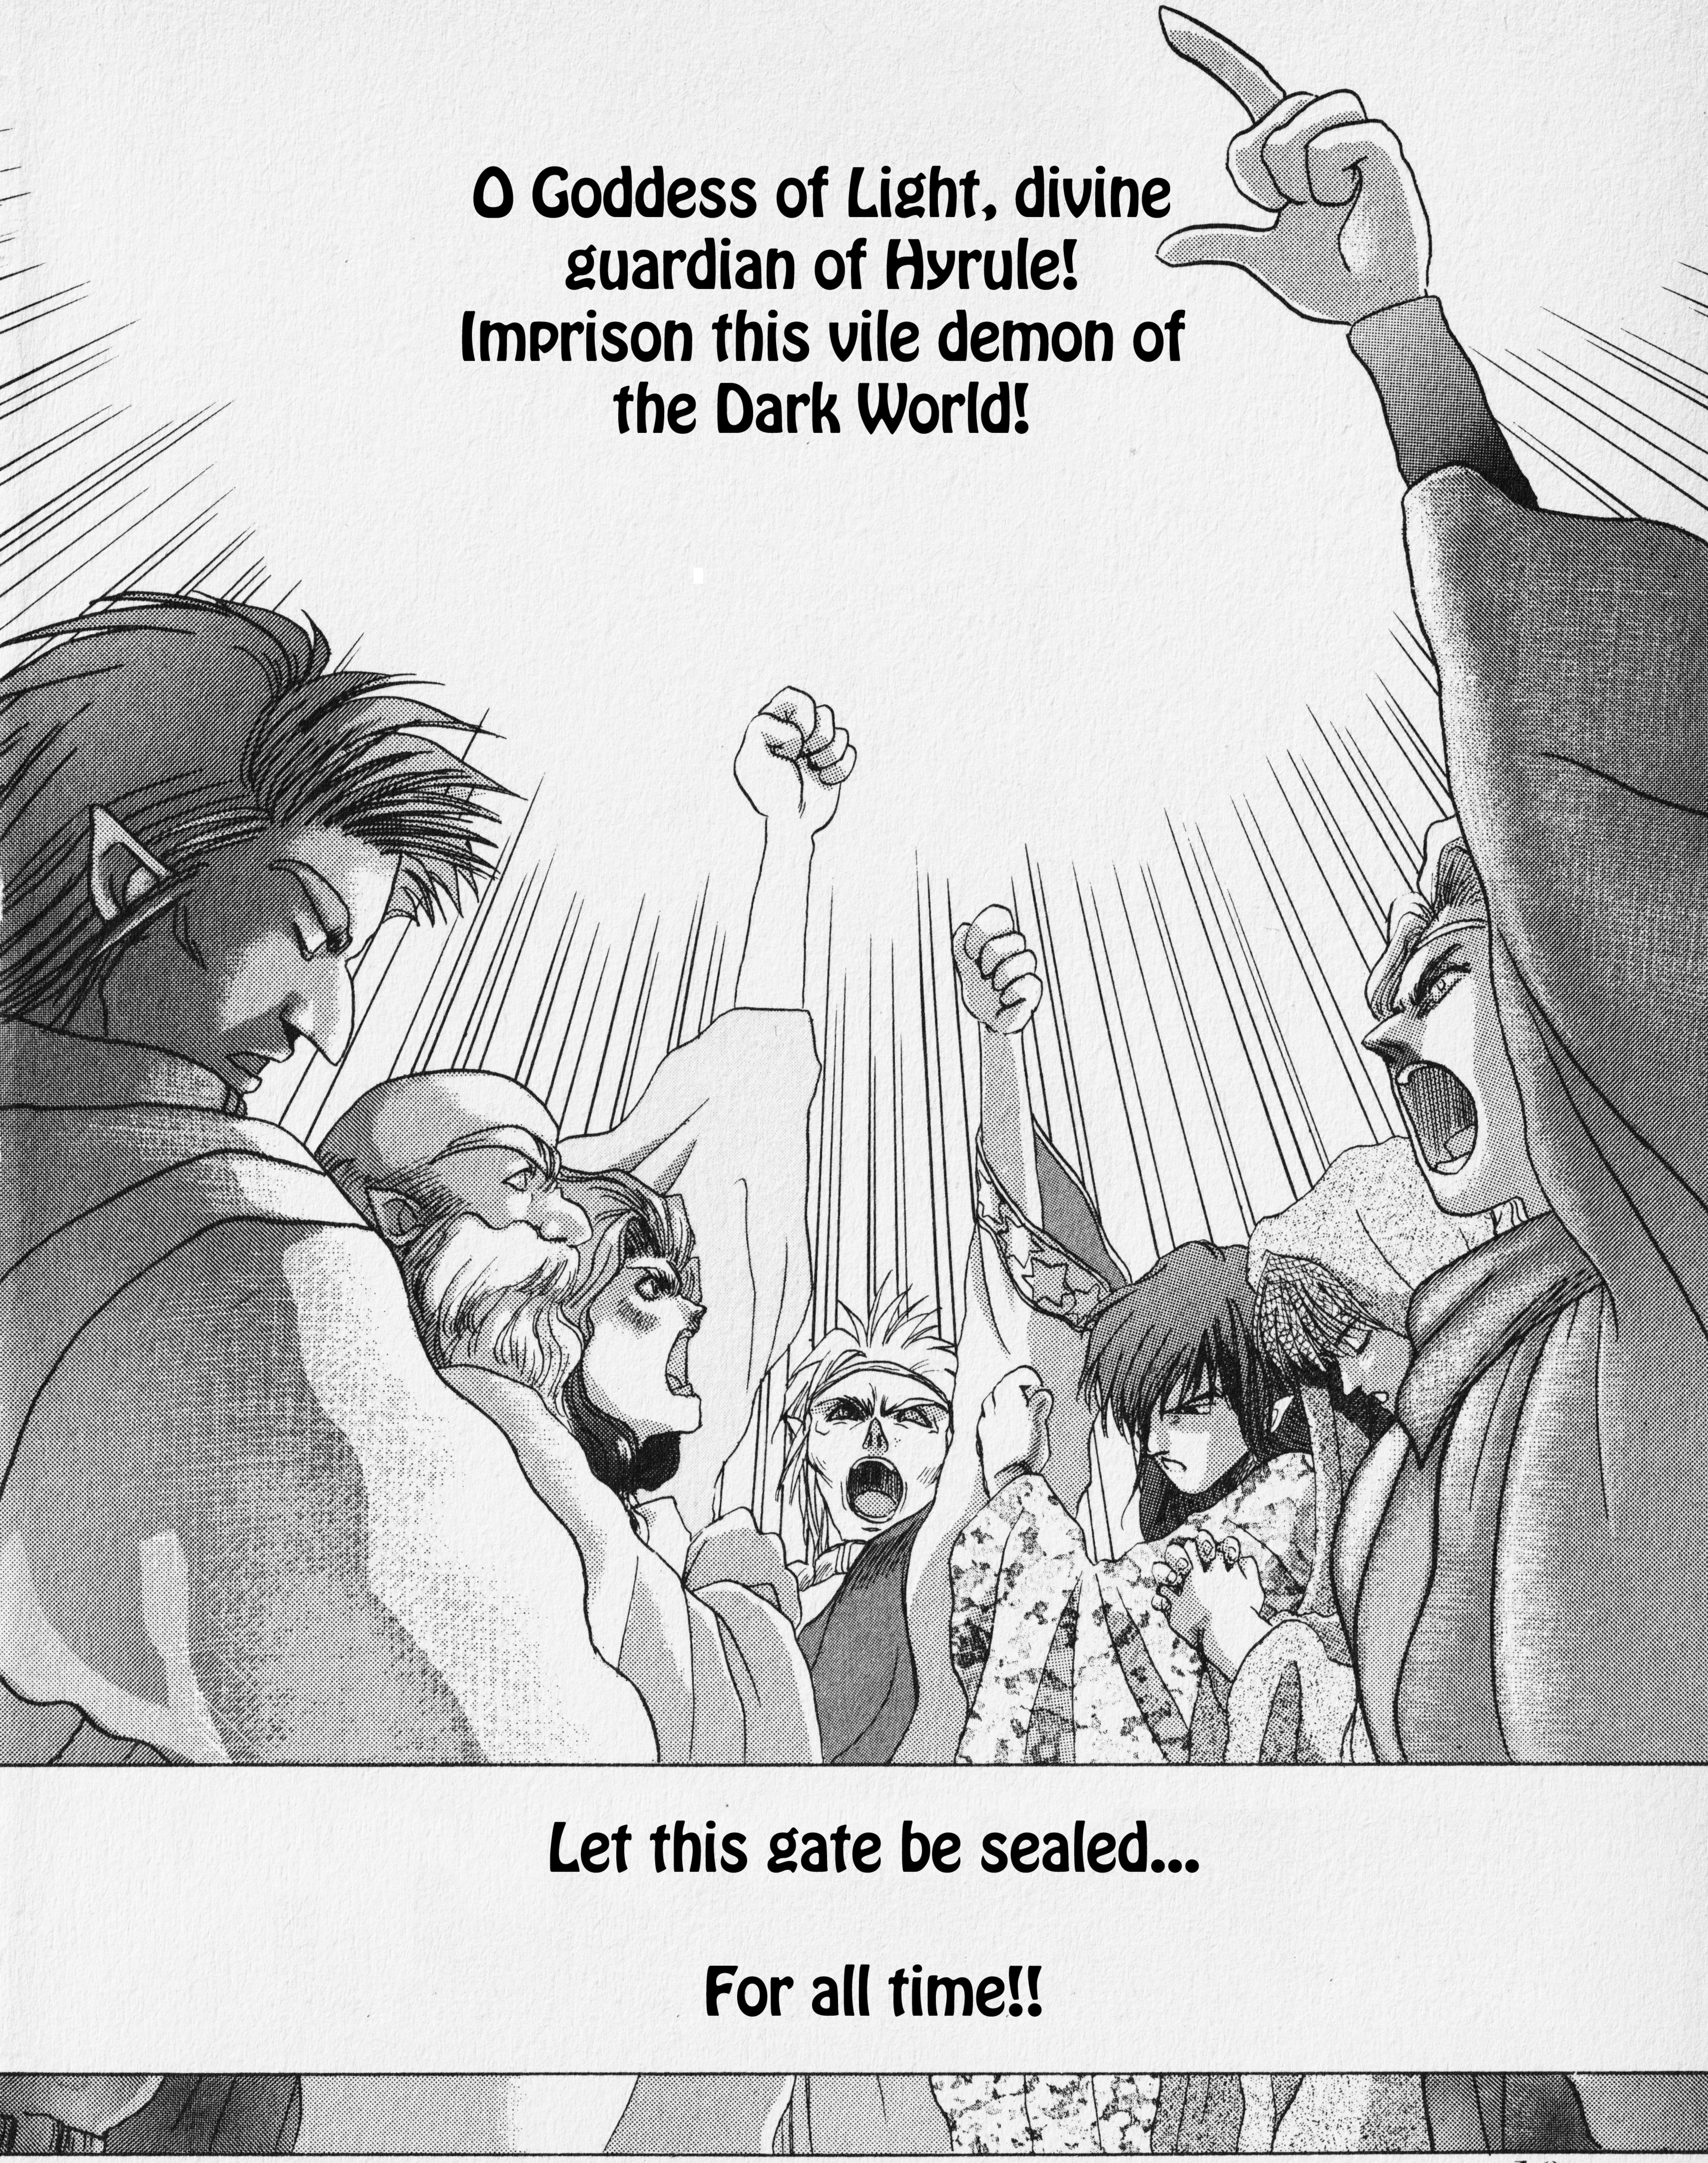
All at once, the Sacred Realm was transformed into a land of darkness... and now, Ganon's wicked hand reaches out to claim Hyrule next!!
There's no time to lose! We have to stop them!
Yes!
With the power of the Seven Sages, we can close the gateway into the Sacred Realm!



O Goddess of Light, divine guardian of Hyrule! Imprison this vile demon of the Dark World!
Let this gate be sealed...
For all time!!

The Sages combined their powers, forging an eternal seal between the Dark World and Hyrule, the world of light.
And so, the years passed by...
そして時は流れ—
Peace returned to the kingdom and its people.
And the events of Ganon's imprisonment faded from knowledge.

Is that so?
Very well, we'll begin the ritual immediately.
A fifth maiden? A ritual? What is Agahnim...

There's nothing for you to worry about, princess!
No! No! No!
Come along, your highness. I'll escort you back to the castle.
Your highness? This is no place for a princess!

Wow! That's it?
Tch...
Well this is kind of a let down...
Yeah right... She was probably daydreaming about some big knight in shining armor...
Guess you're stuck with me. Sorry I don't cut it.

But, you know, Link...
I felt you coming, even from far away.
Thank you so much.
I'm truly happy it's you.

Let's move!
Can you keep up?
Yeah!
PRINCESS ZELDA HAS ESCAPED!!

Please, Link! You have to find a way!
You're the only one who can save Hyrule now!
Well, well...
Looks like I'm the one stuck with the job!

Be careful on your journey!!
I'll remain behind here with the priest!
Well then, good luck out there!
Why does it always end up like this!?

That's right...
My uncle gave me this for a reason...
This is for Uncle Demmy.
This is the mark of a true hero, granted only to those of the Knight's Bloodline.
Find the Master Sword in the forest and with this mark, you may draw forth the blade!

This whole thing feels like it's all just made up...
But whatever, guess I'll head into the woods anyways...

Well, it used to be a very nice and peaceful place!
Just follow me, there's someone who really wants to meet you!

Are you sure about this? This place seems kind of sketchy.

What kind of goddess is that!? I didn't want to see some pig!!

Link, if you defeat the Demon King Ganon, both us and this realm will return to its former state.
But I only came here to rescue Princess Zelda!
I know I don't cut the figure of a goddess. Ganon's cruel power is to blame!
I apologize for upsetting you...
It's the same for me too.
You're lucky not to change
Gan-on?
The seven sacrificed maidens are sealed inside crystals by Ganon's magic, and are all in his hands!
If you don't defeat Ganon, you will never be able to rescue Princess Zelda.

This is everyone!
...I guess I have to do it, huh?
Then let me get back to the Pyramid as soon as possible!
It's no use for even if you do go!
There is a barrier that surrounds the Pyramid.
You cannot enter unless you go through a different entrance.

Another entrance!?
You will only find it in one place...
Death Mountain!
Did you know that?

No?
Death Mountain!?
But there's no way!!
Around that mountain is a great chasm, anything that gets close is sucked right in!
Link.
Is there a large mountain like that in your world?

A big mountain?
Well, there's Hebra Mountain, I guess.
Also known as Death Mountain!
This world and yours are very much alike.
It is very likely that your Hebra Mountain and our Death Mountain are in the very same place.
First, you will need to return to your *Light World*, Link.
And take this.
This mirror hold mystical powers.
If you should ever lose sight of the doorway, you need only gaze into the mirror to return to this world.

Just go find somewhere to hide when I fight Ganon, okay?
Shut up! Okay, I get it!

Link! Look!
Huh?
That's the same door I saw in the castle!!

Okay, let's go!

If you don't want to die...
Then start running and don't look back!

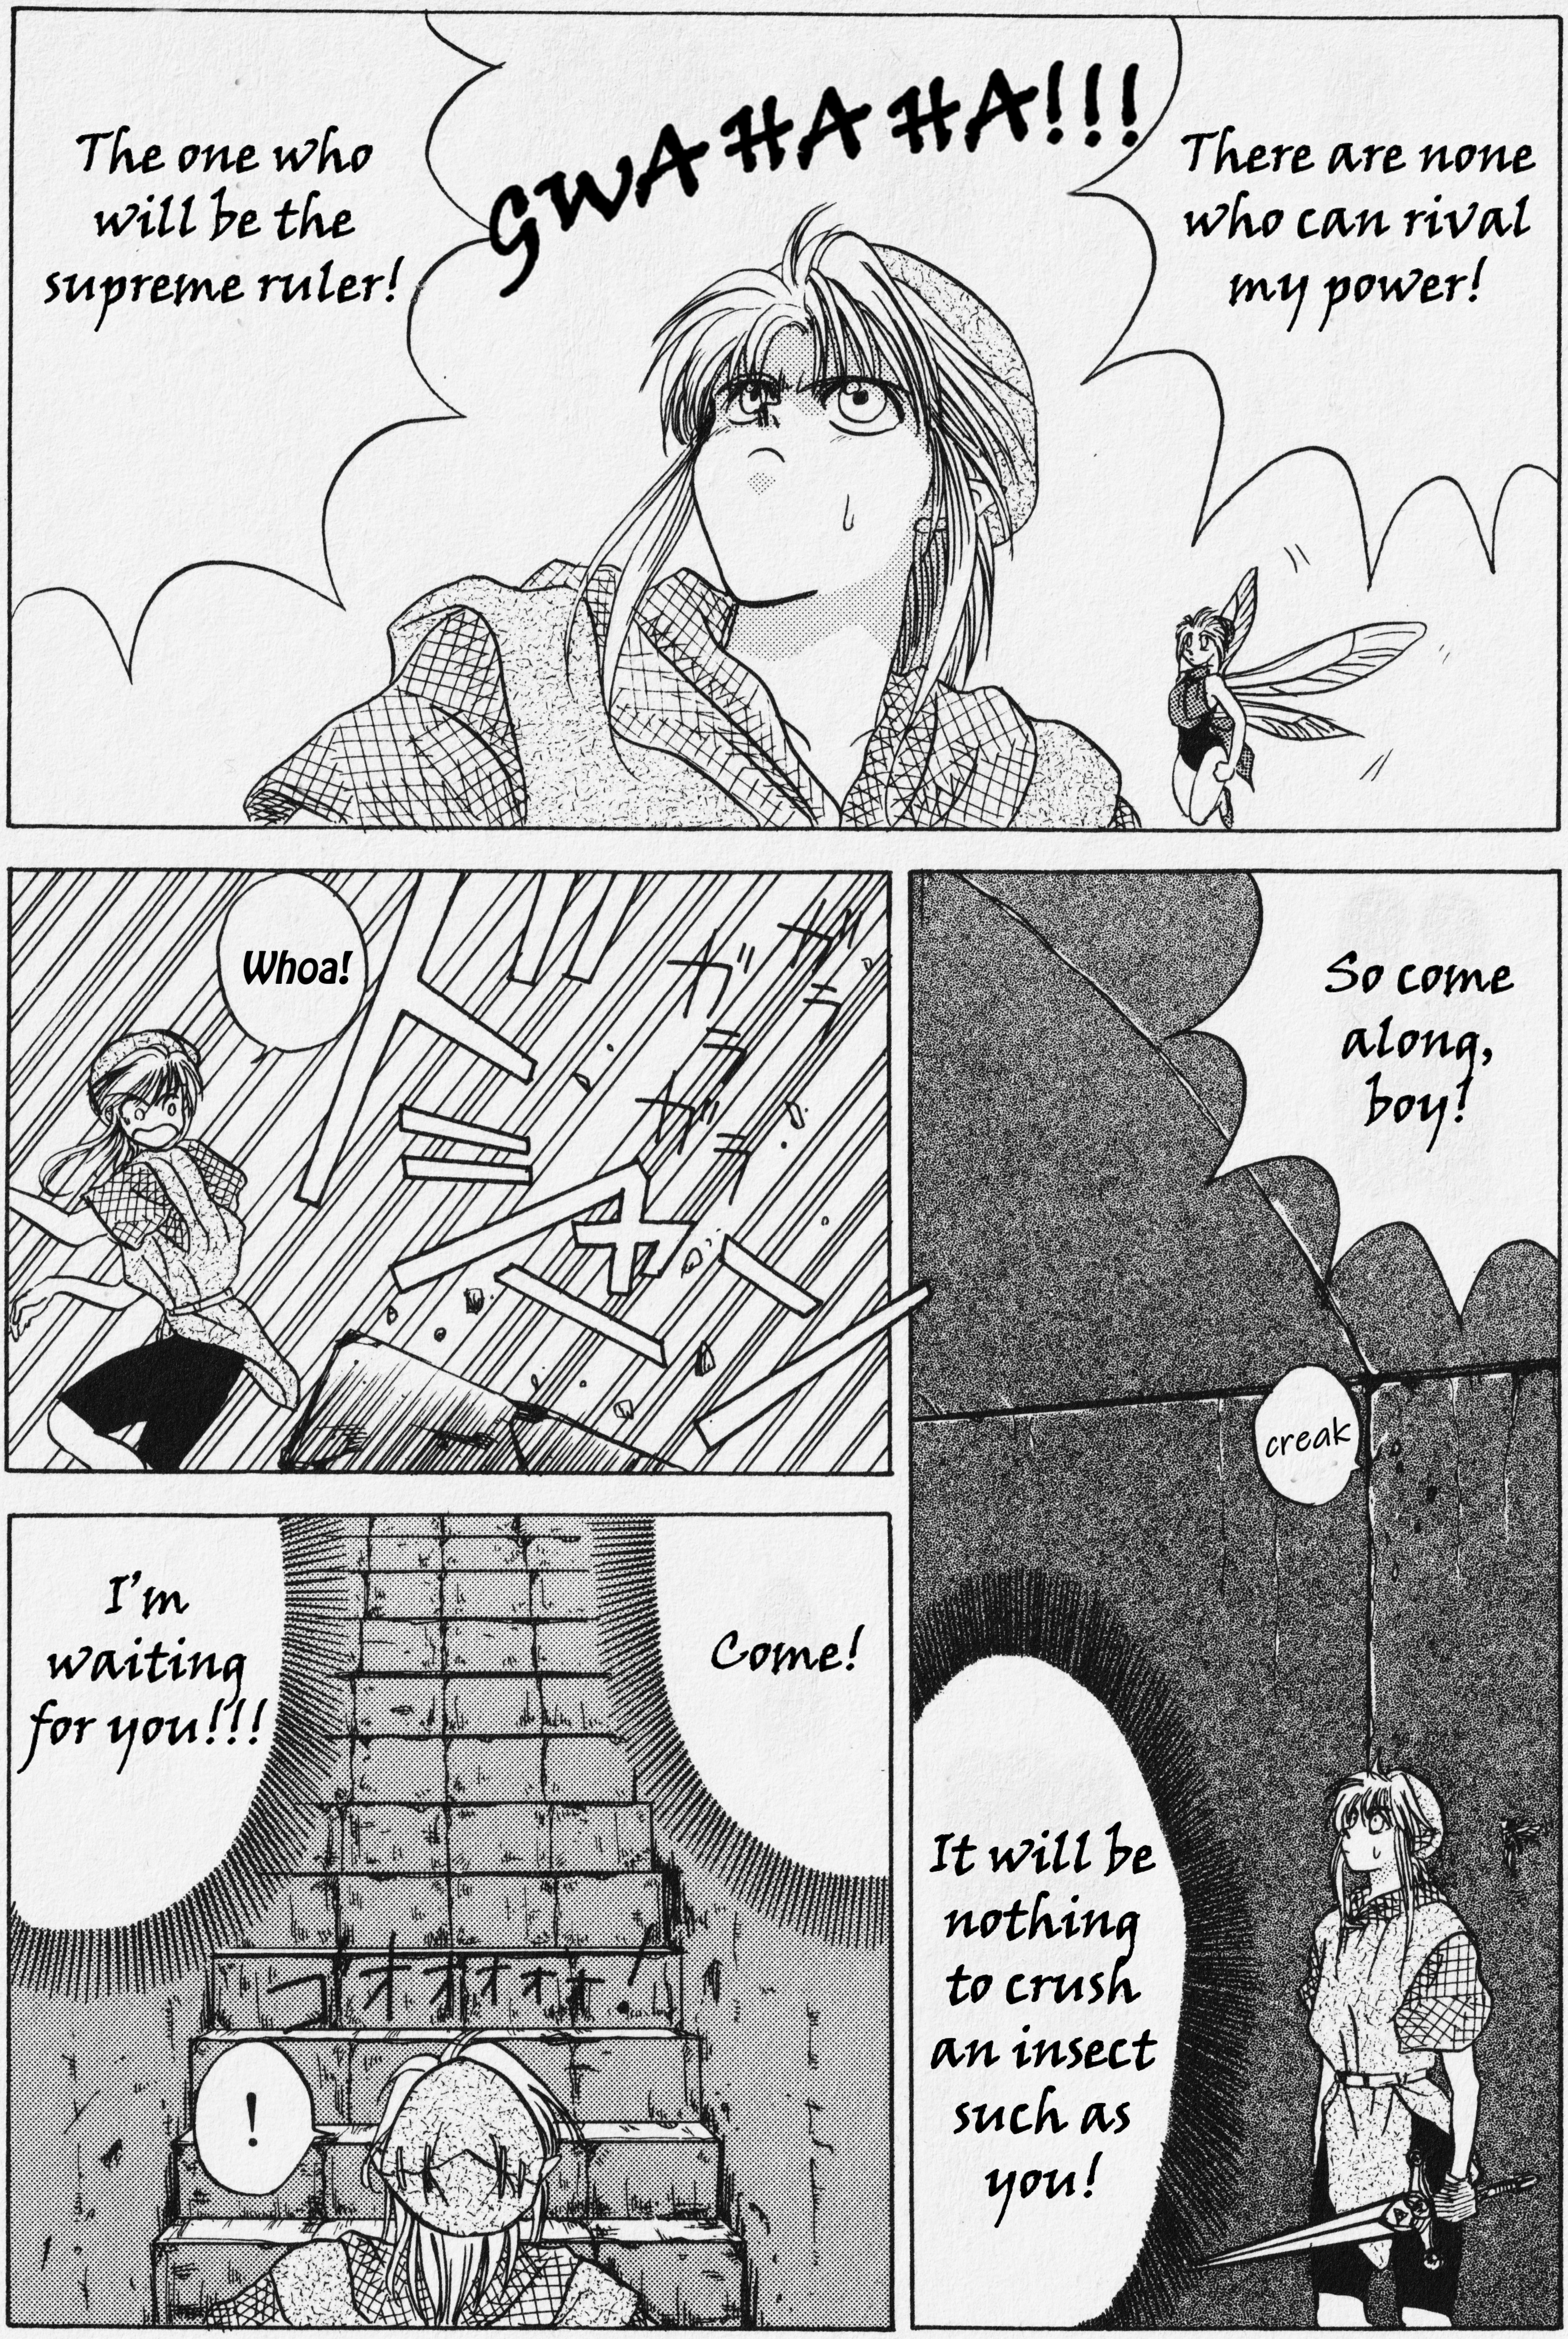
Come on, there's no way that will work...
ギャーン
ギャーン
ギャーン
ドドドド
Huh?
Heh
…

Alright— we have to get through that door!
Will I find Ganon waiting ahead?
Let's get this over with!

......
There's no one here...
......
This can't be good.
It's like it's *too* quiet.
BWAHAHAHA!!!
You've done well to come so far, boy!
Yikes!
What!?
Who said that!?
I've got a pretty good guess...
I am the Great Ganon!



There are none who can rival my power!
GWA HA HA!!!
The one who will be the supreme ruler!
So come along, boy!
creak
Whoa!
ガラ ガラ ガラ
It will be nothing to crush an insect such as you!
Come!
I'm waiting for you!!!
コオオオォォ

LINK!
I'll be right back.
Huh?
Mitchelle. Stay here.
What are you doing, trying to act so tough!
HMMPH!

So noisy...
It won't be my fault if you get yourself killed!!

Well here I am!!
So come on out!

So you have finally arrived!!
Boy! I will rip you limb from limb!!
GWAHA HAHA!
He's so damn loud!

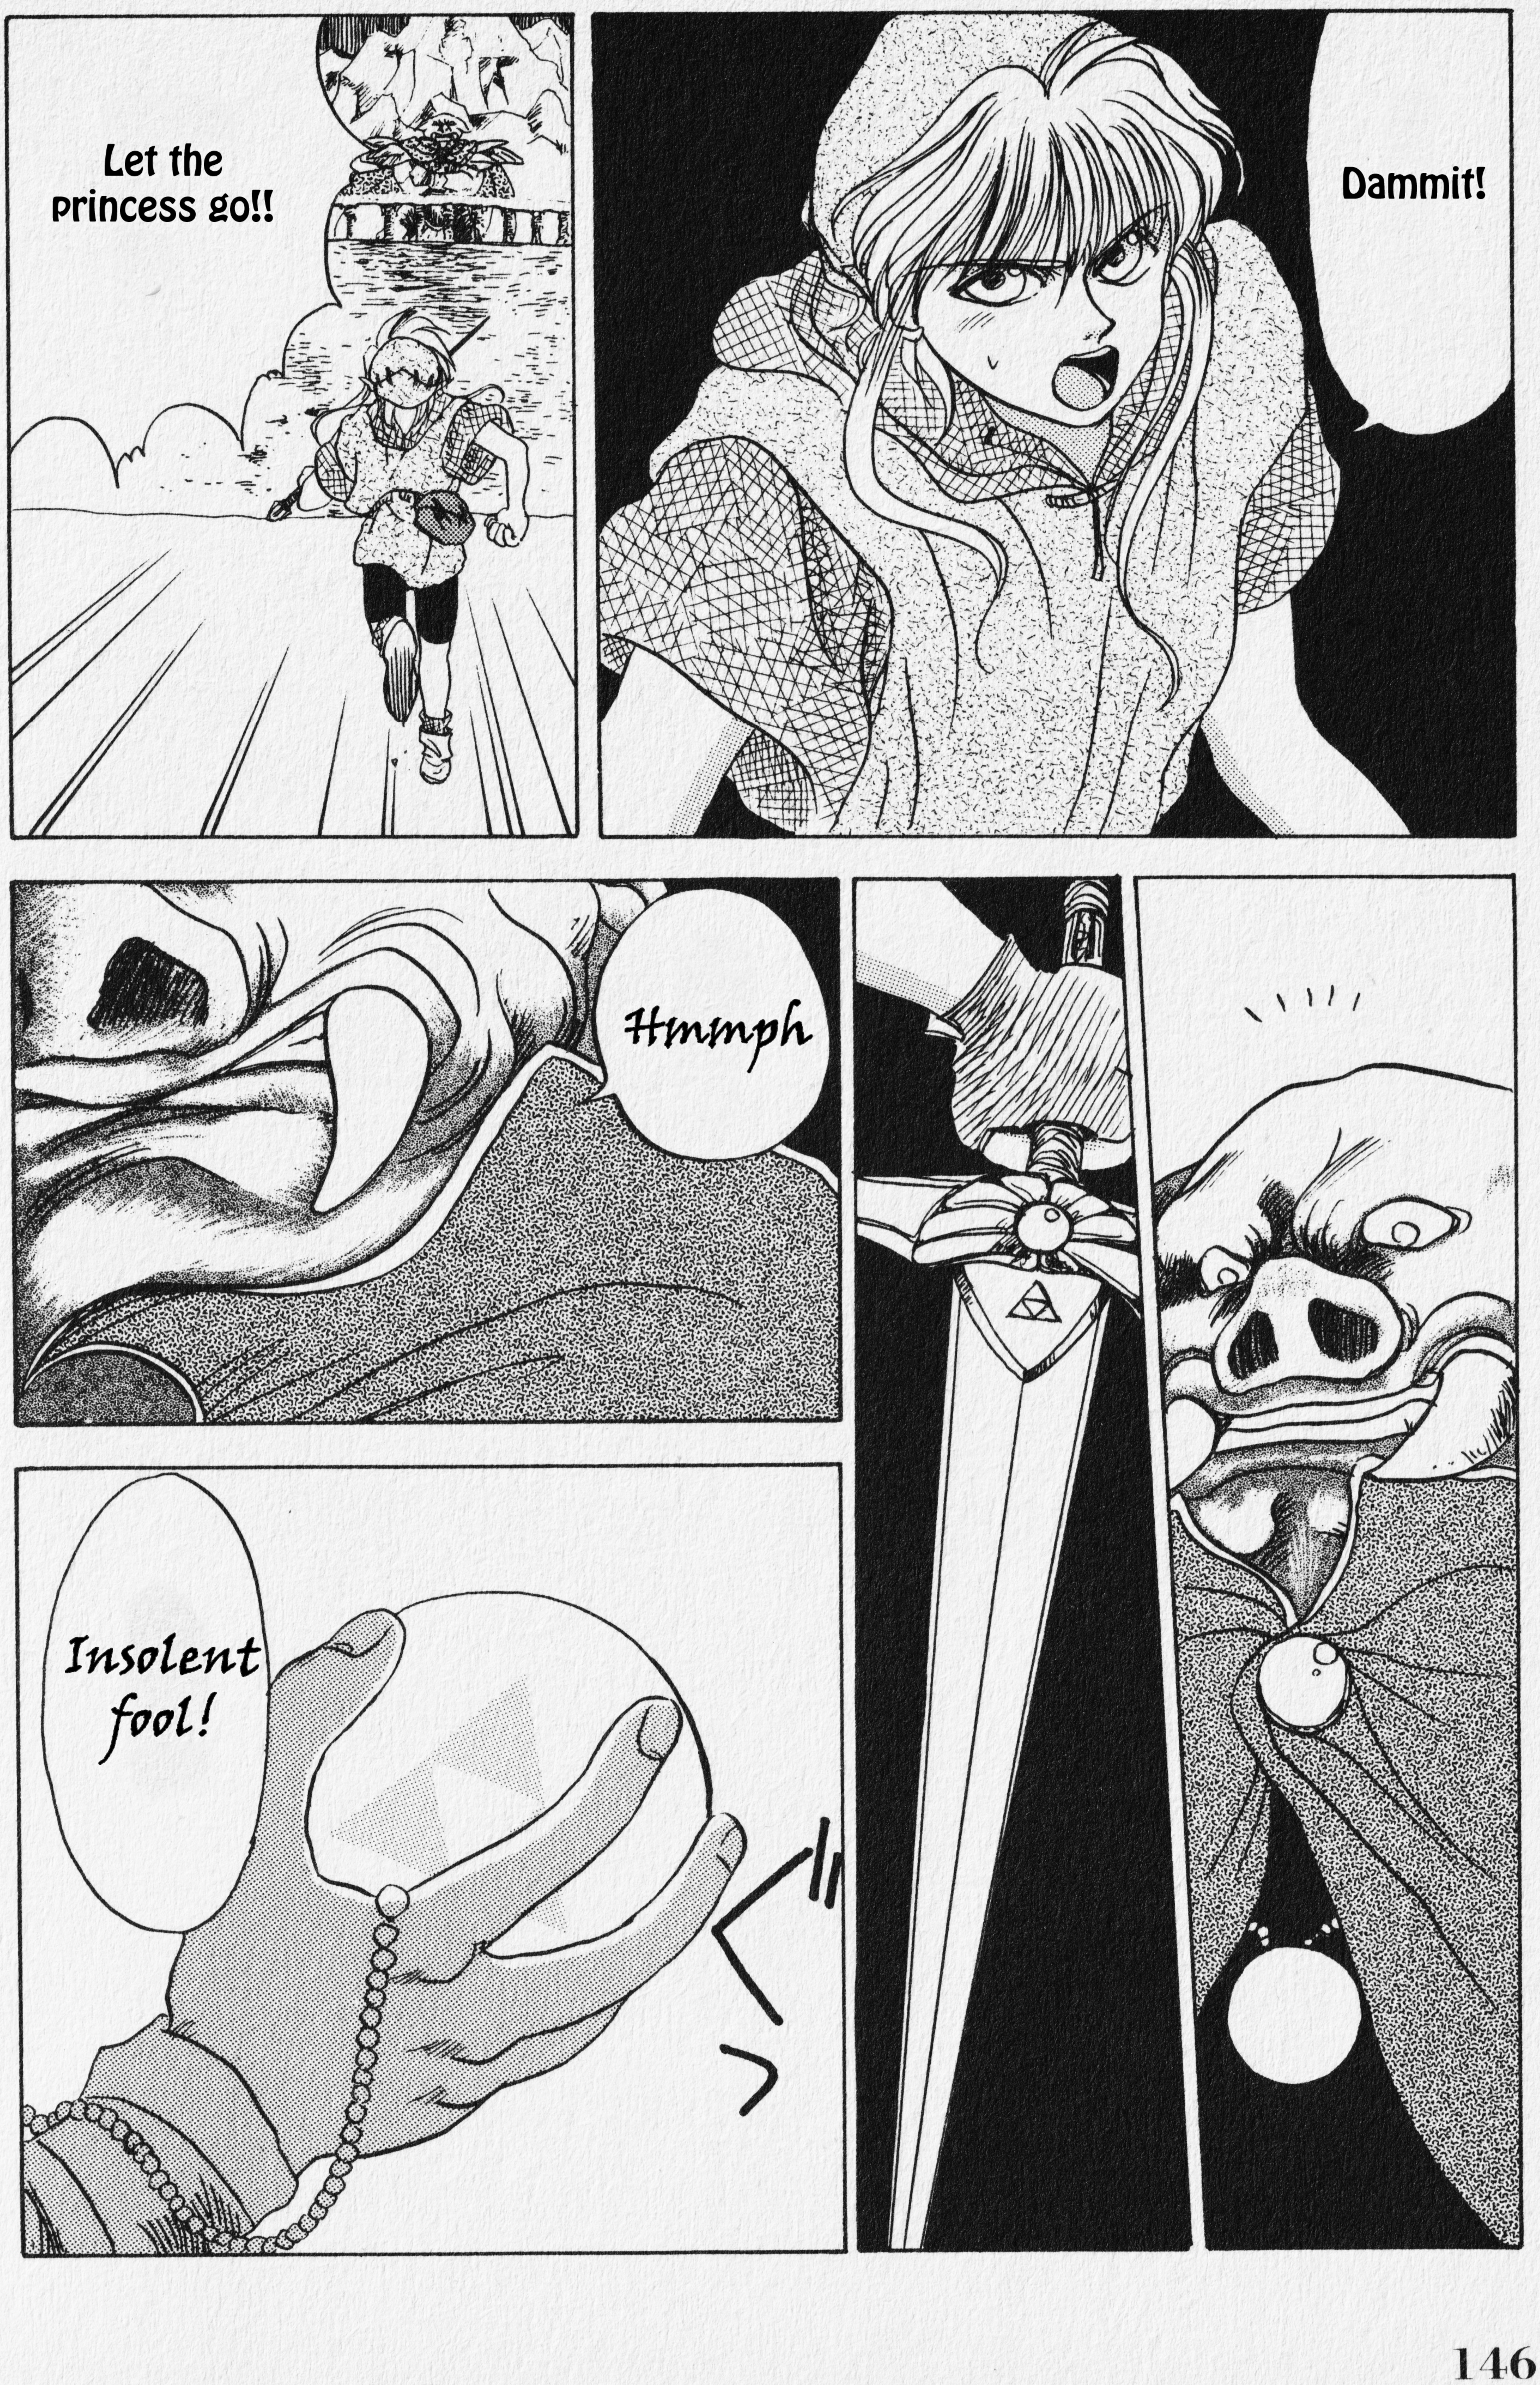
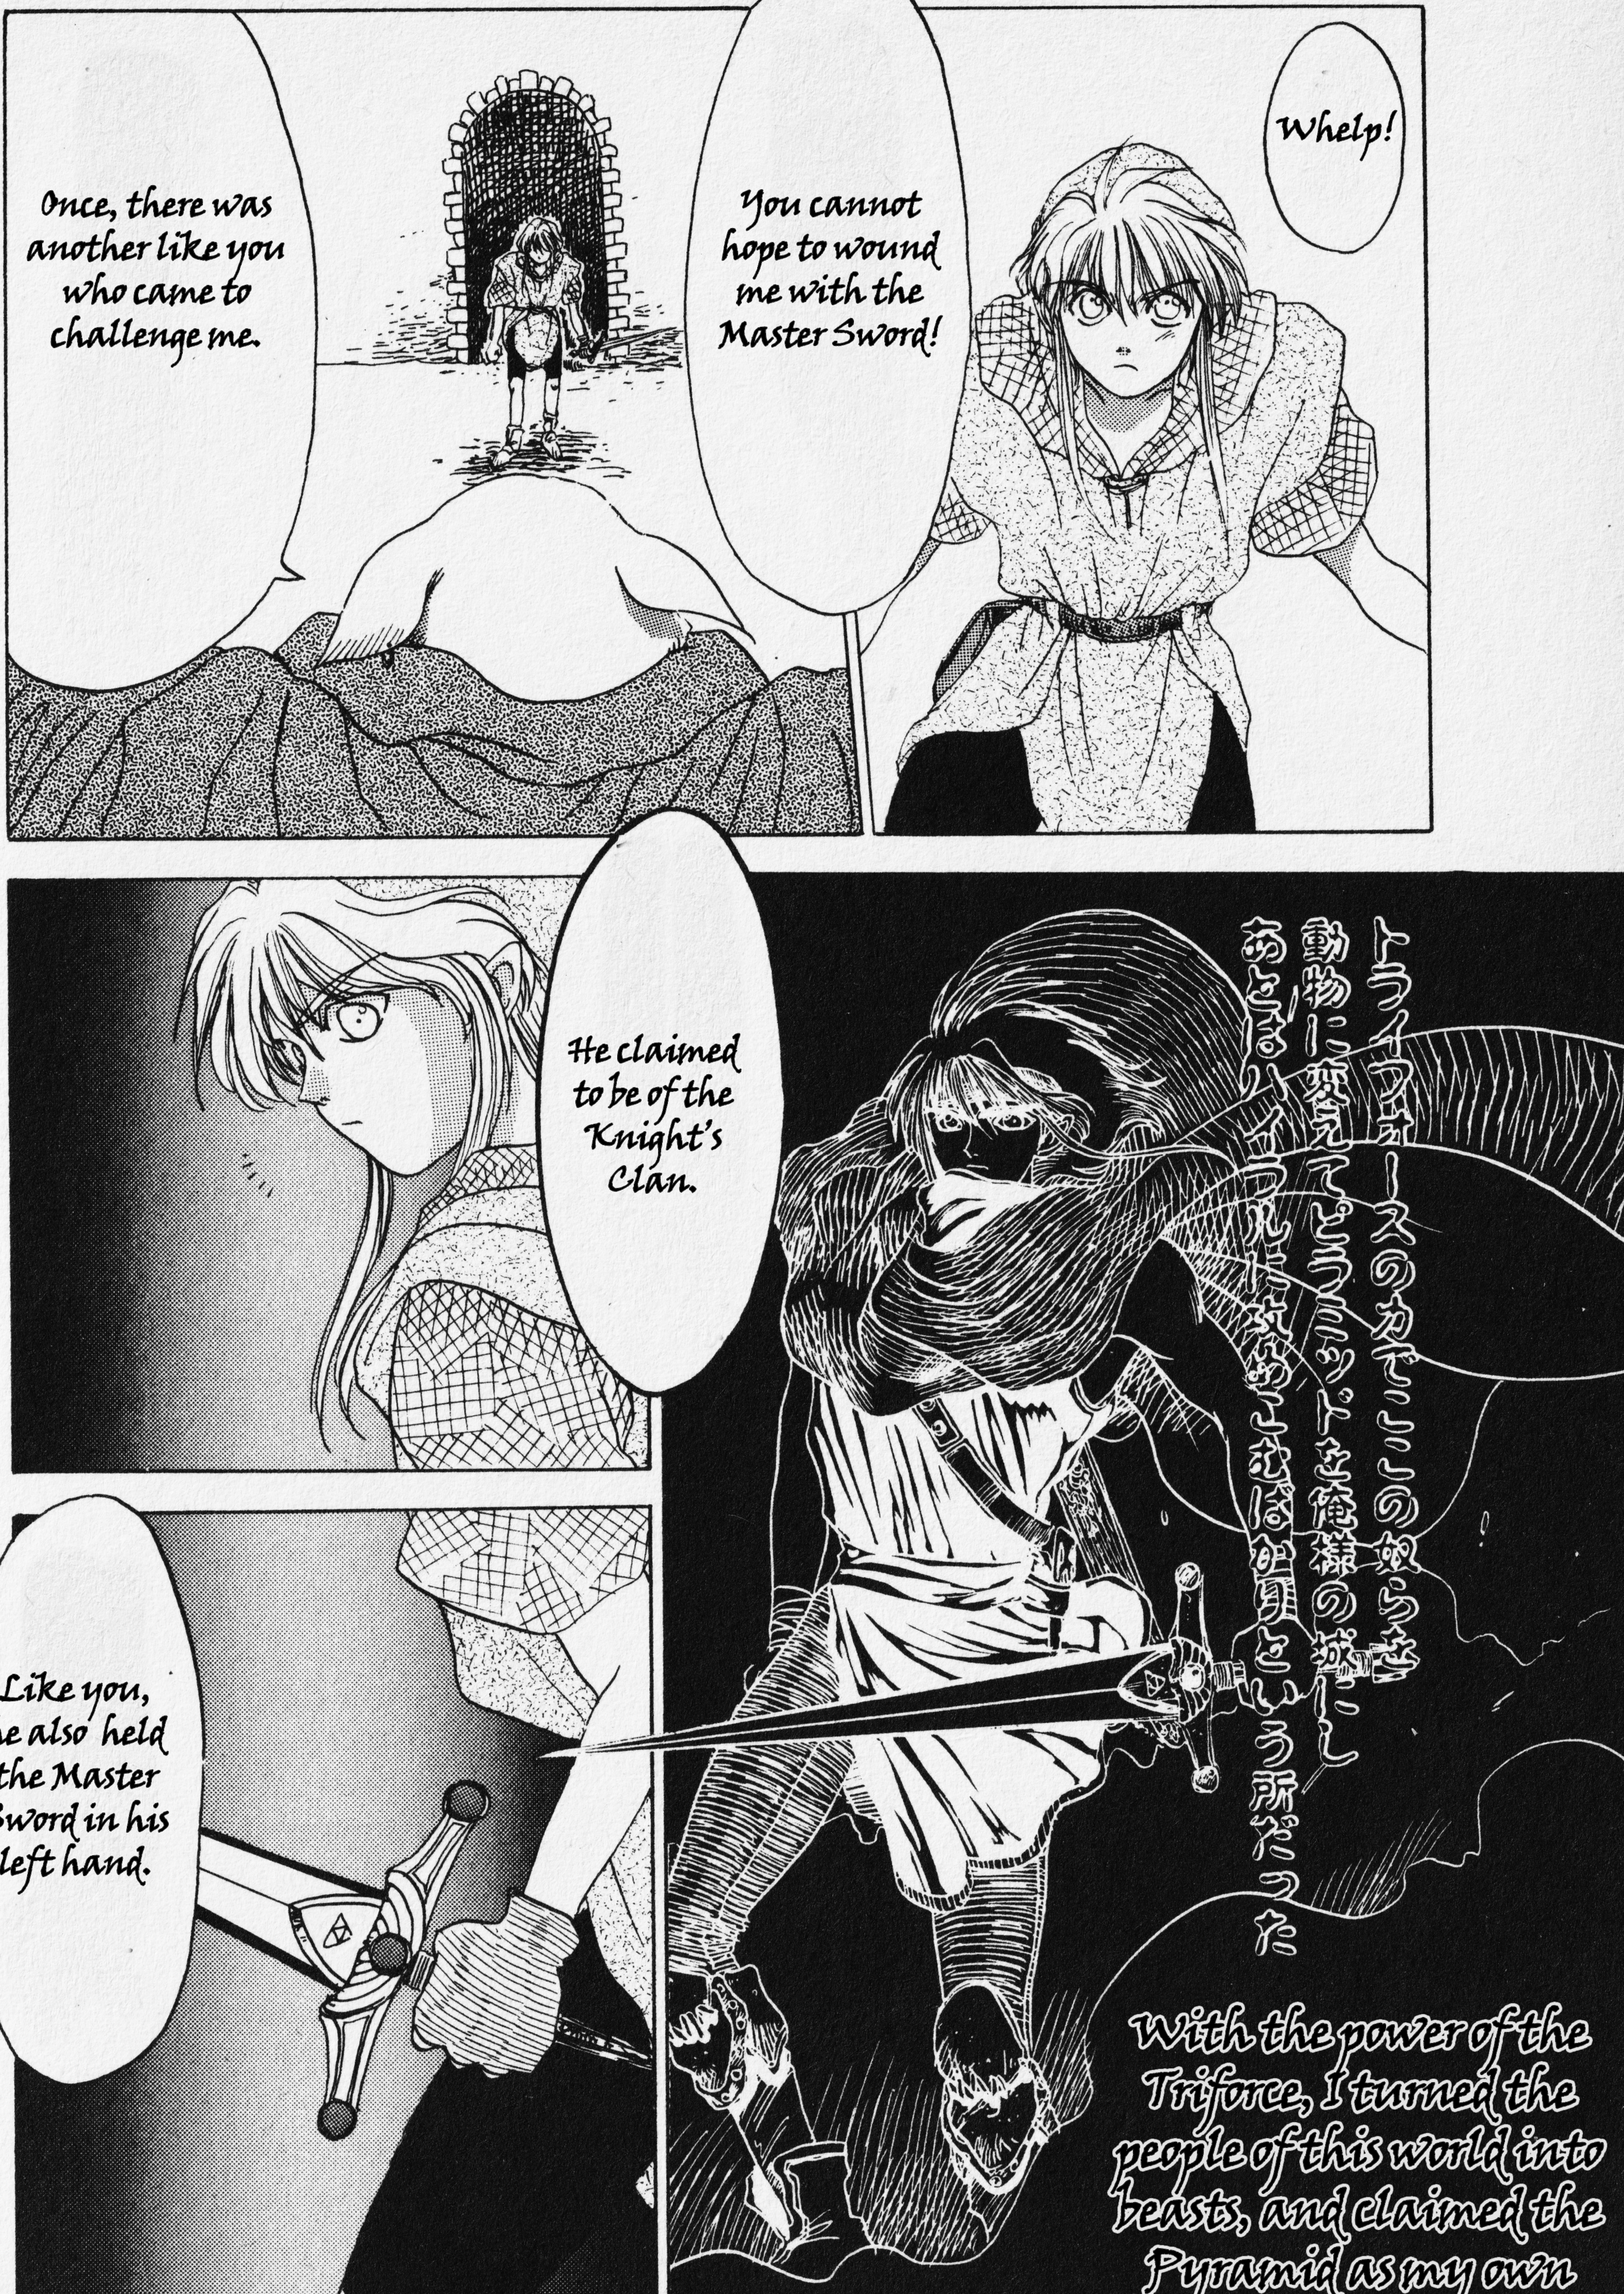
Princess Zelda!!



Let the princess go!!
Dammit!
Hmmph
Insolent fool!

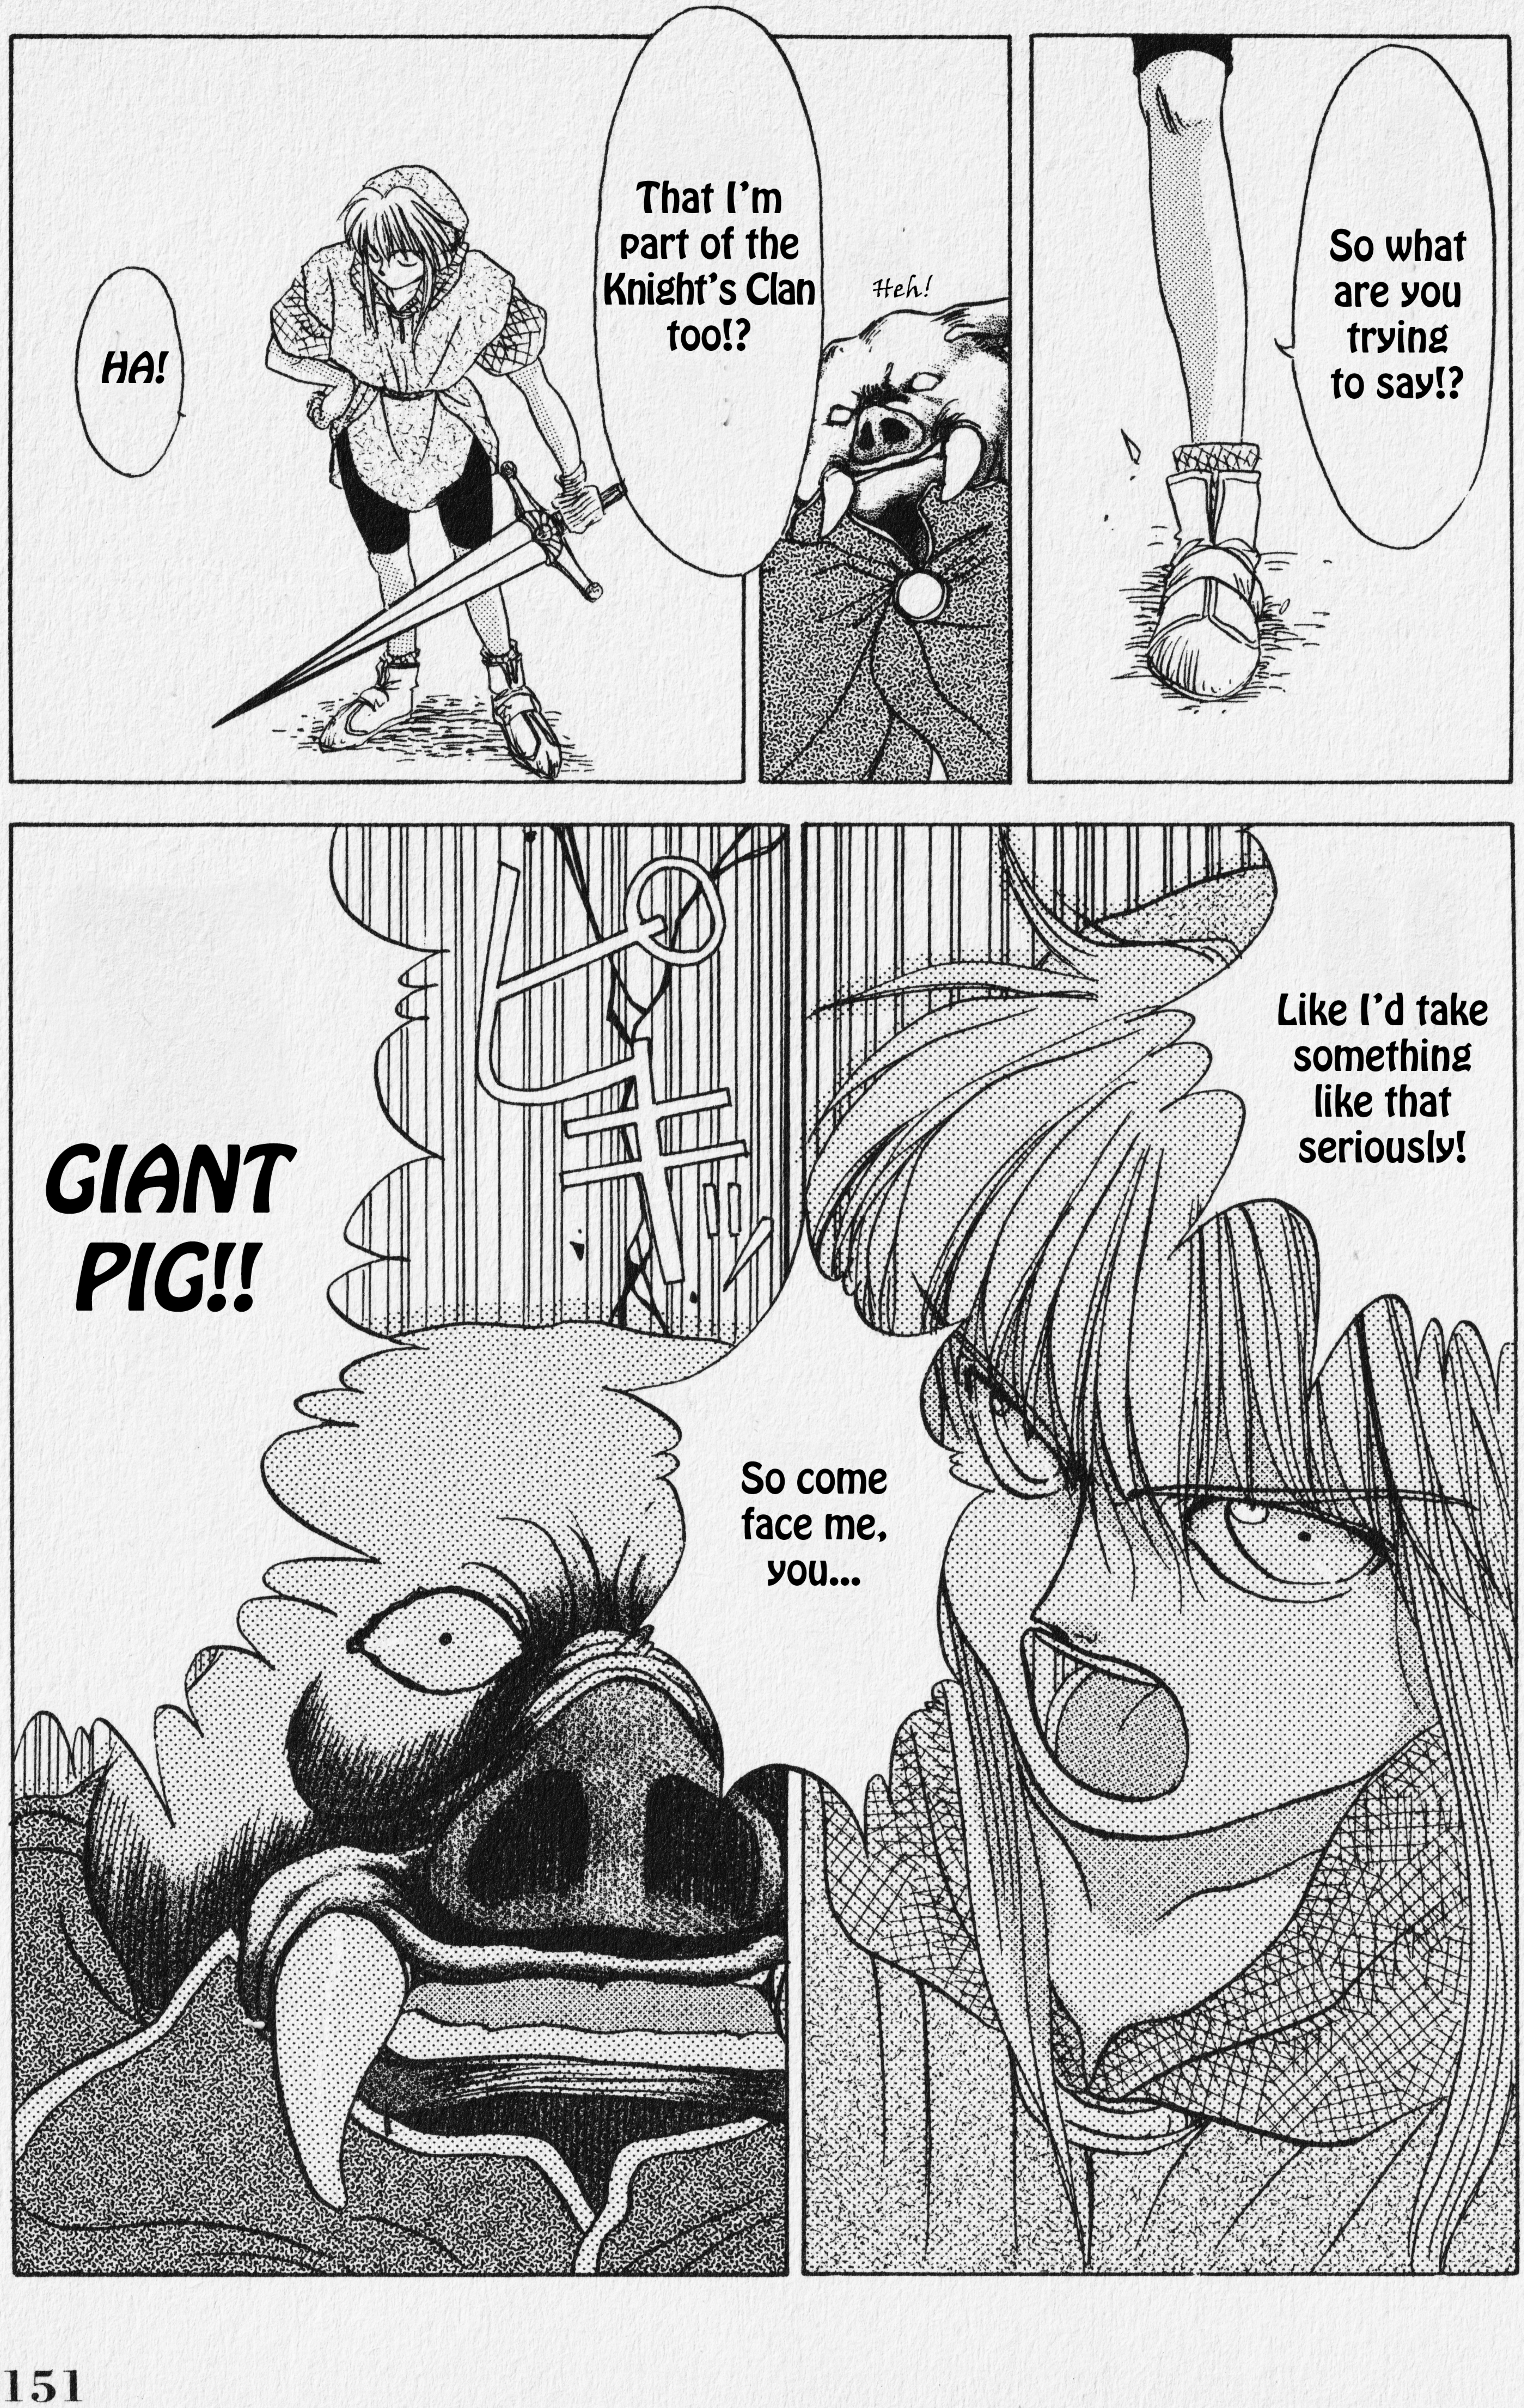
WAAH!!!
!!
What the hell!?
What?
BWAHAH HAH HAH HAH!!!



Whelp!
You cannot hope to wound me with the Master Sword!
Once, there was another like you who came to challenge me.
He claimed to be of the Knight's Clan.
Like you, he also held the Master Sword in his left hand.
トライフォースの力でここの奴らを
動物に変えてピラミッドを俺様の城にし
あとはハイラルに攻めこむばかりという所だった
With the power of the Triforce, I turned the people of this world into beasts, and claimed the Pyramid as my own fortress.

But...
...
He died anyway!
Even if he had the Master Sword and was of the Knight's Clan...
マスターソードを持っていようが
ナイト一族であろうが
Compared to the Triforce, he was nothing!
トライフォースの前では無力なのだ!
The knights!?
Don't lump me in with those guys!
Tch!

Argh!!
せーい!
ガア
ズザザザザ
You're the same!
That man ...
And you!
The man from the Knight Clan—his name was also Link!
And that's your name too, isn't it, Link?
!!



So what are you trying to say!?
That I'm part of the Knight's Clan too!?
Heh!
HA!
Like I'd take something like that seriously!
So come face me, you...
GIANT PIG!!

!!
Pig..!? Did you just call me a PIG!?
Yeah, that's what I said.
I called you a pig. So what? What's the problem, you big ugly pig!!!
YOU DARED TO CALL ME A PIG!?

YOU'RE DEAD, BOY!!!

ピイイイイッ
Wha!?
バサ
Get off me!!
バサ

GWAAH!!
ドカッ
Ah!!

Gweh heh!
What's with that face? Don't tell me this hurts.
AUGH!!!
. . . . Ngh . .

Do you recall that priest you were so proud of defeating?
You're finished, boy!
But before you die, I've got a story for you!
I was sealed away by the Seven Sages. I waited so long for the moment the seal woul fail. And then he appeared... a lone priest. His name was Agahnim.
Do you know what finally turned him?
If you break the seal, I will share with you this infinite power!
I tried so hard to persuade him...

BWAH HAH HAH HAH!!!!
He said it was all to heal his dying wife!!
ゲラゲラ
ゲラゲラ
As if I would ever share my power with anyone!!
ぱた

I hope Link is okay...
He made that big speech, but...

ガッ

Link!
Now...
I'm going to take my time killing you!!
!!
Link...!
You big jerk!!
Leave Link alone!!
ドッ

MITCHELLE!!!
What a foolish fairy!!
Hah!

Damn... I can't let it end like this...
GWAH HAH HAH!
The Triforce!!
Tch.
You're wasting your breath, whelp.
Triforce!! You're being used for evil!!
Can't you see that!? Don't you have a will of your own!?

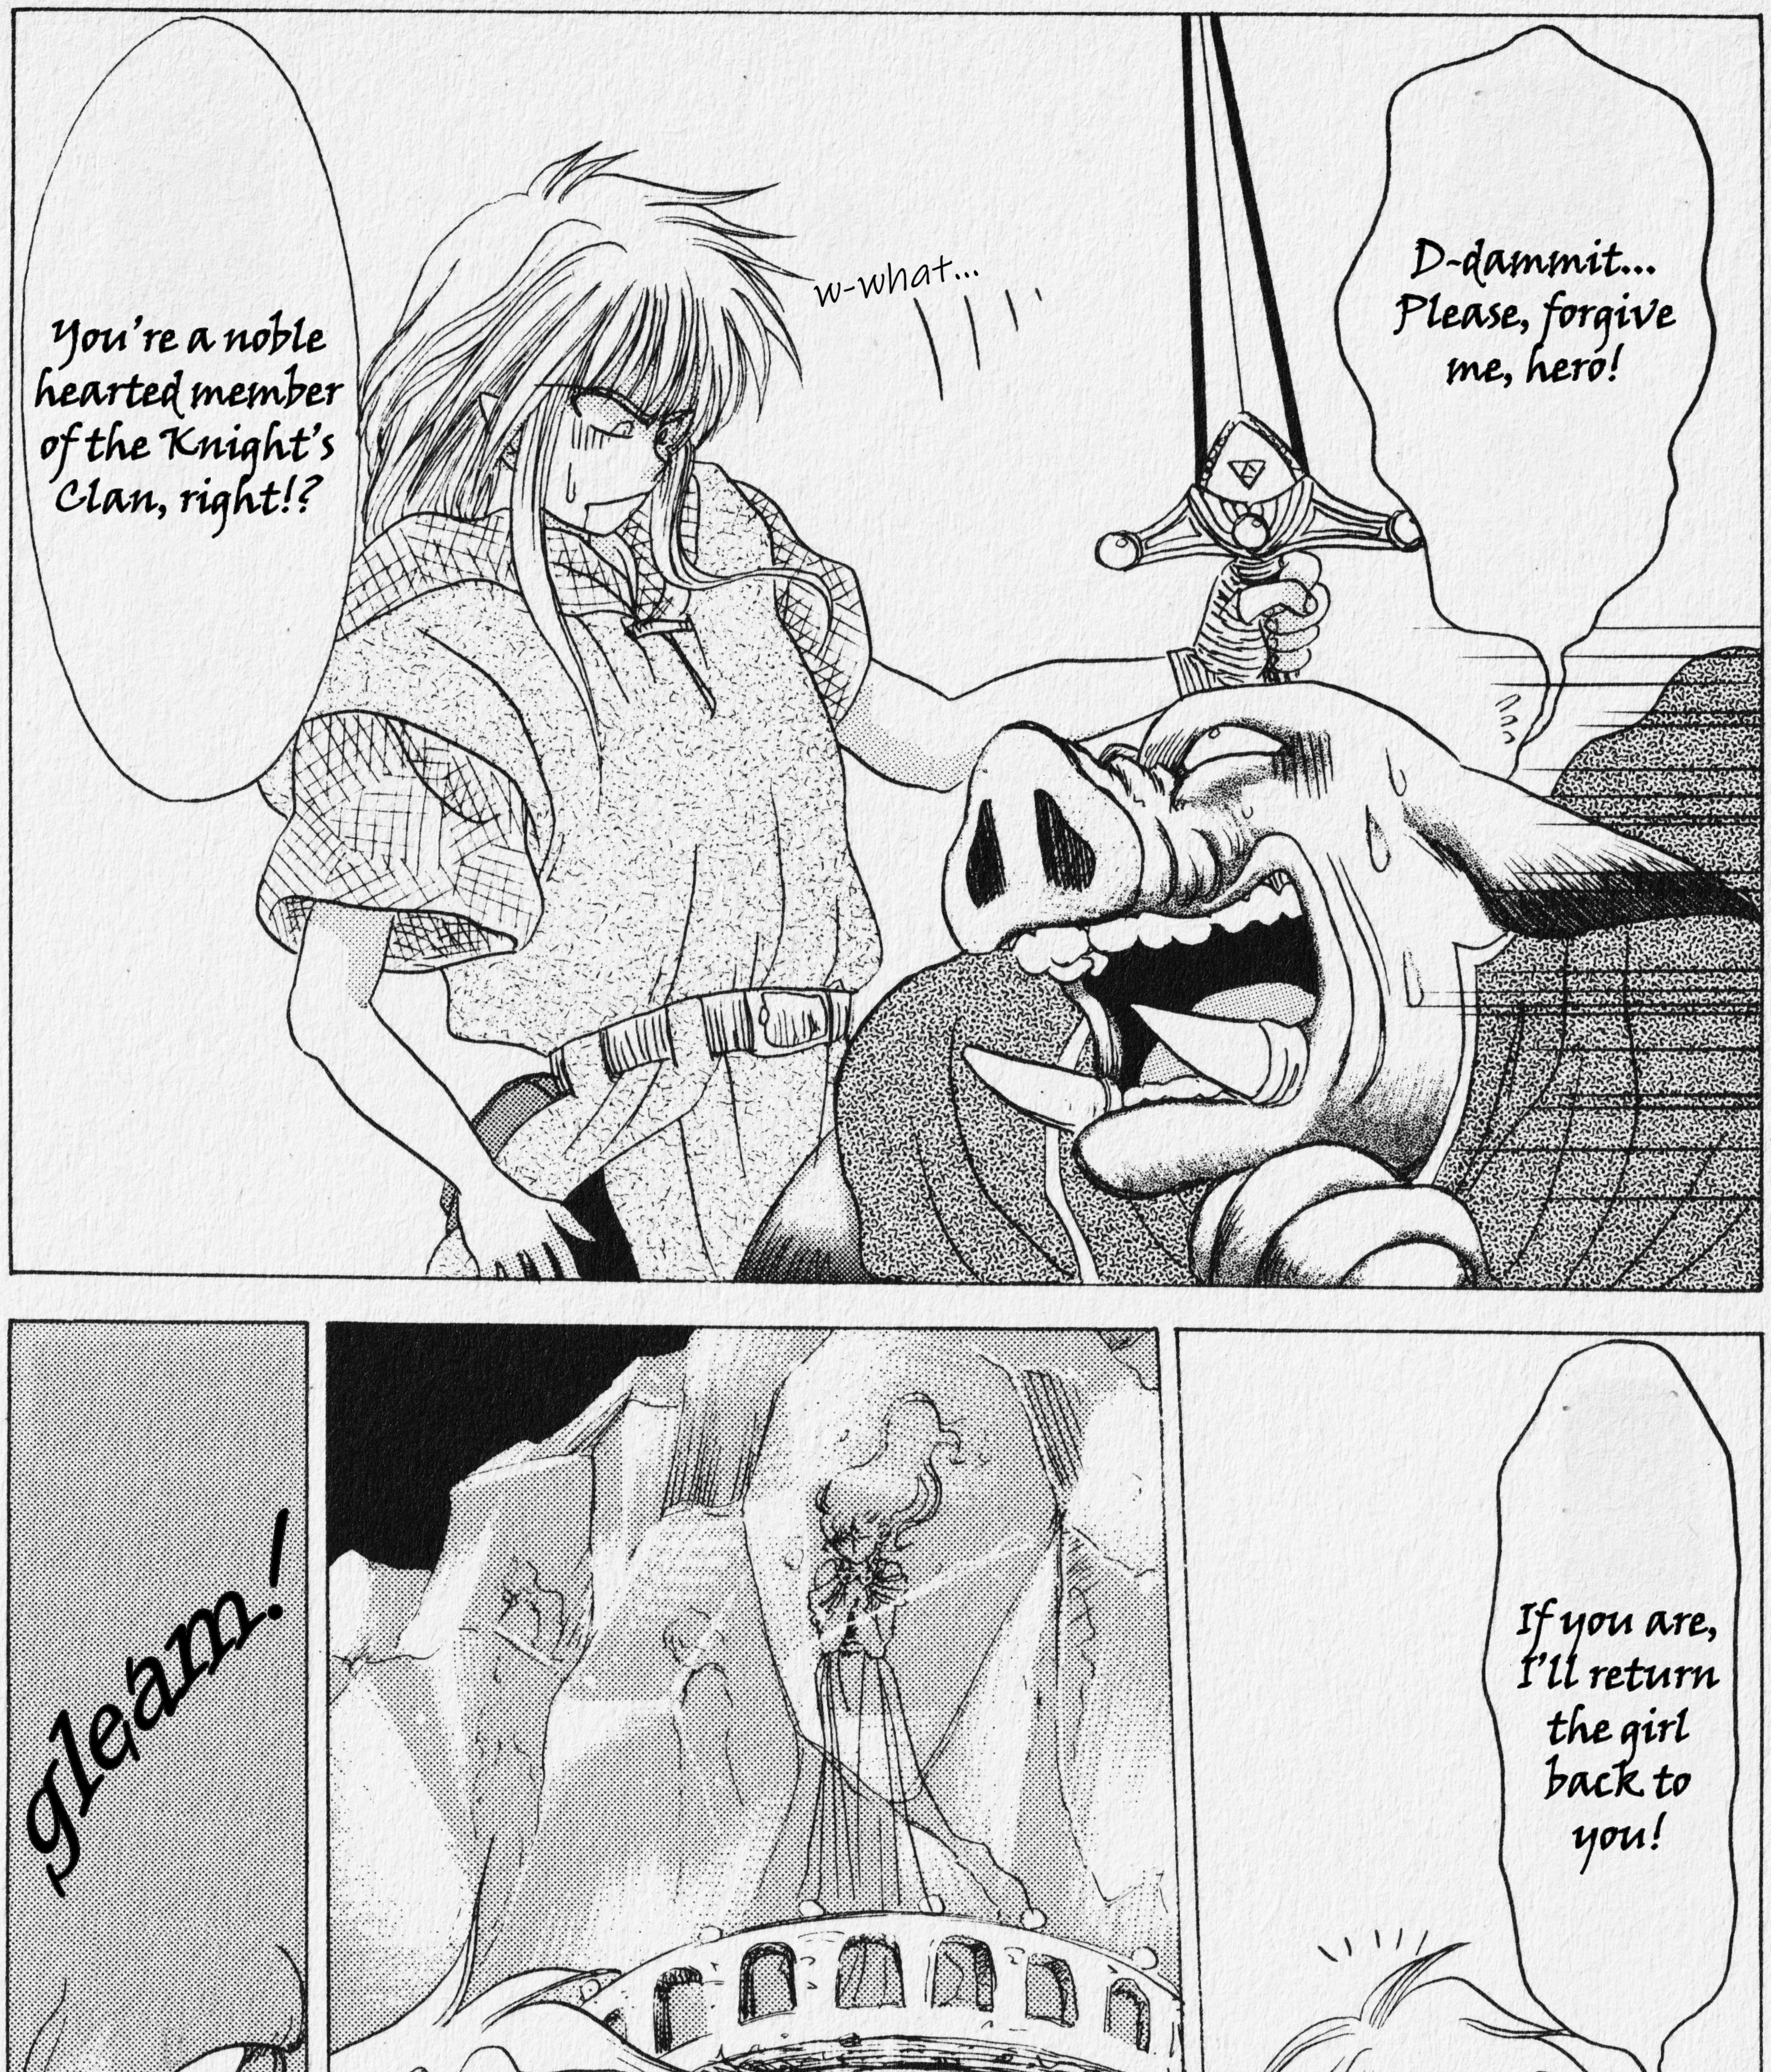
This is mine!!
And it can't hear a thing you're saying!
Come on!! He's just going to destroy everything!
Shut up!!
That Power!!

PLEASE! I NEED YOUR POWER!!
Triforce! Please! Answer me!
Bah!
Enough. I'll crush you into paste!

ANSWER ME!!!
What!?
trembling
NO... This is impossible! This can't be happening!!
Did the Triforce choose that boy of its own free will!?

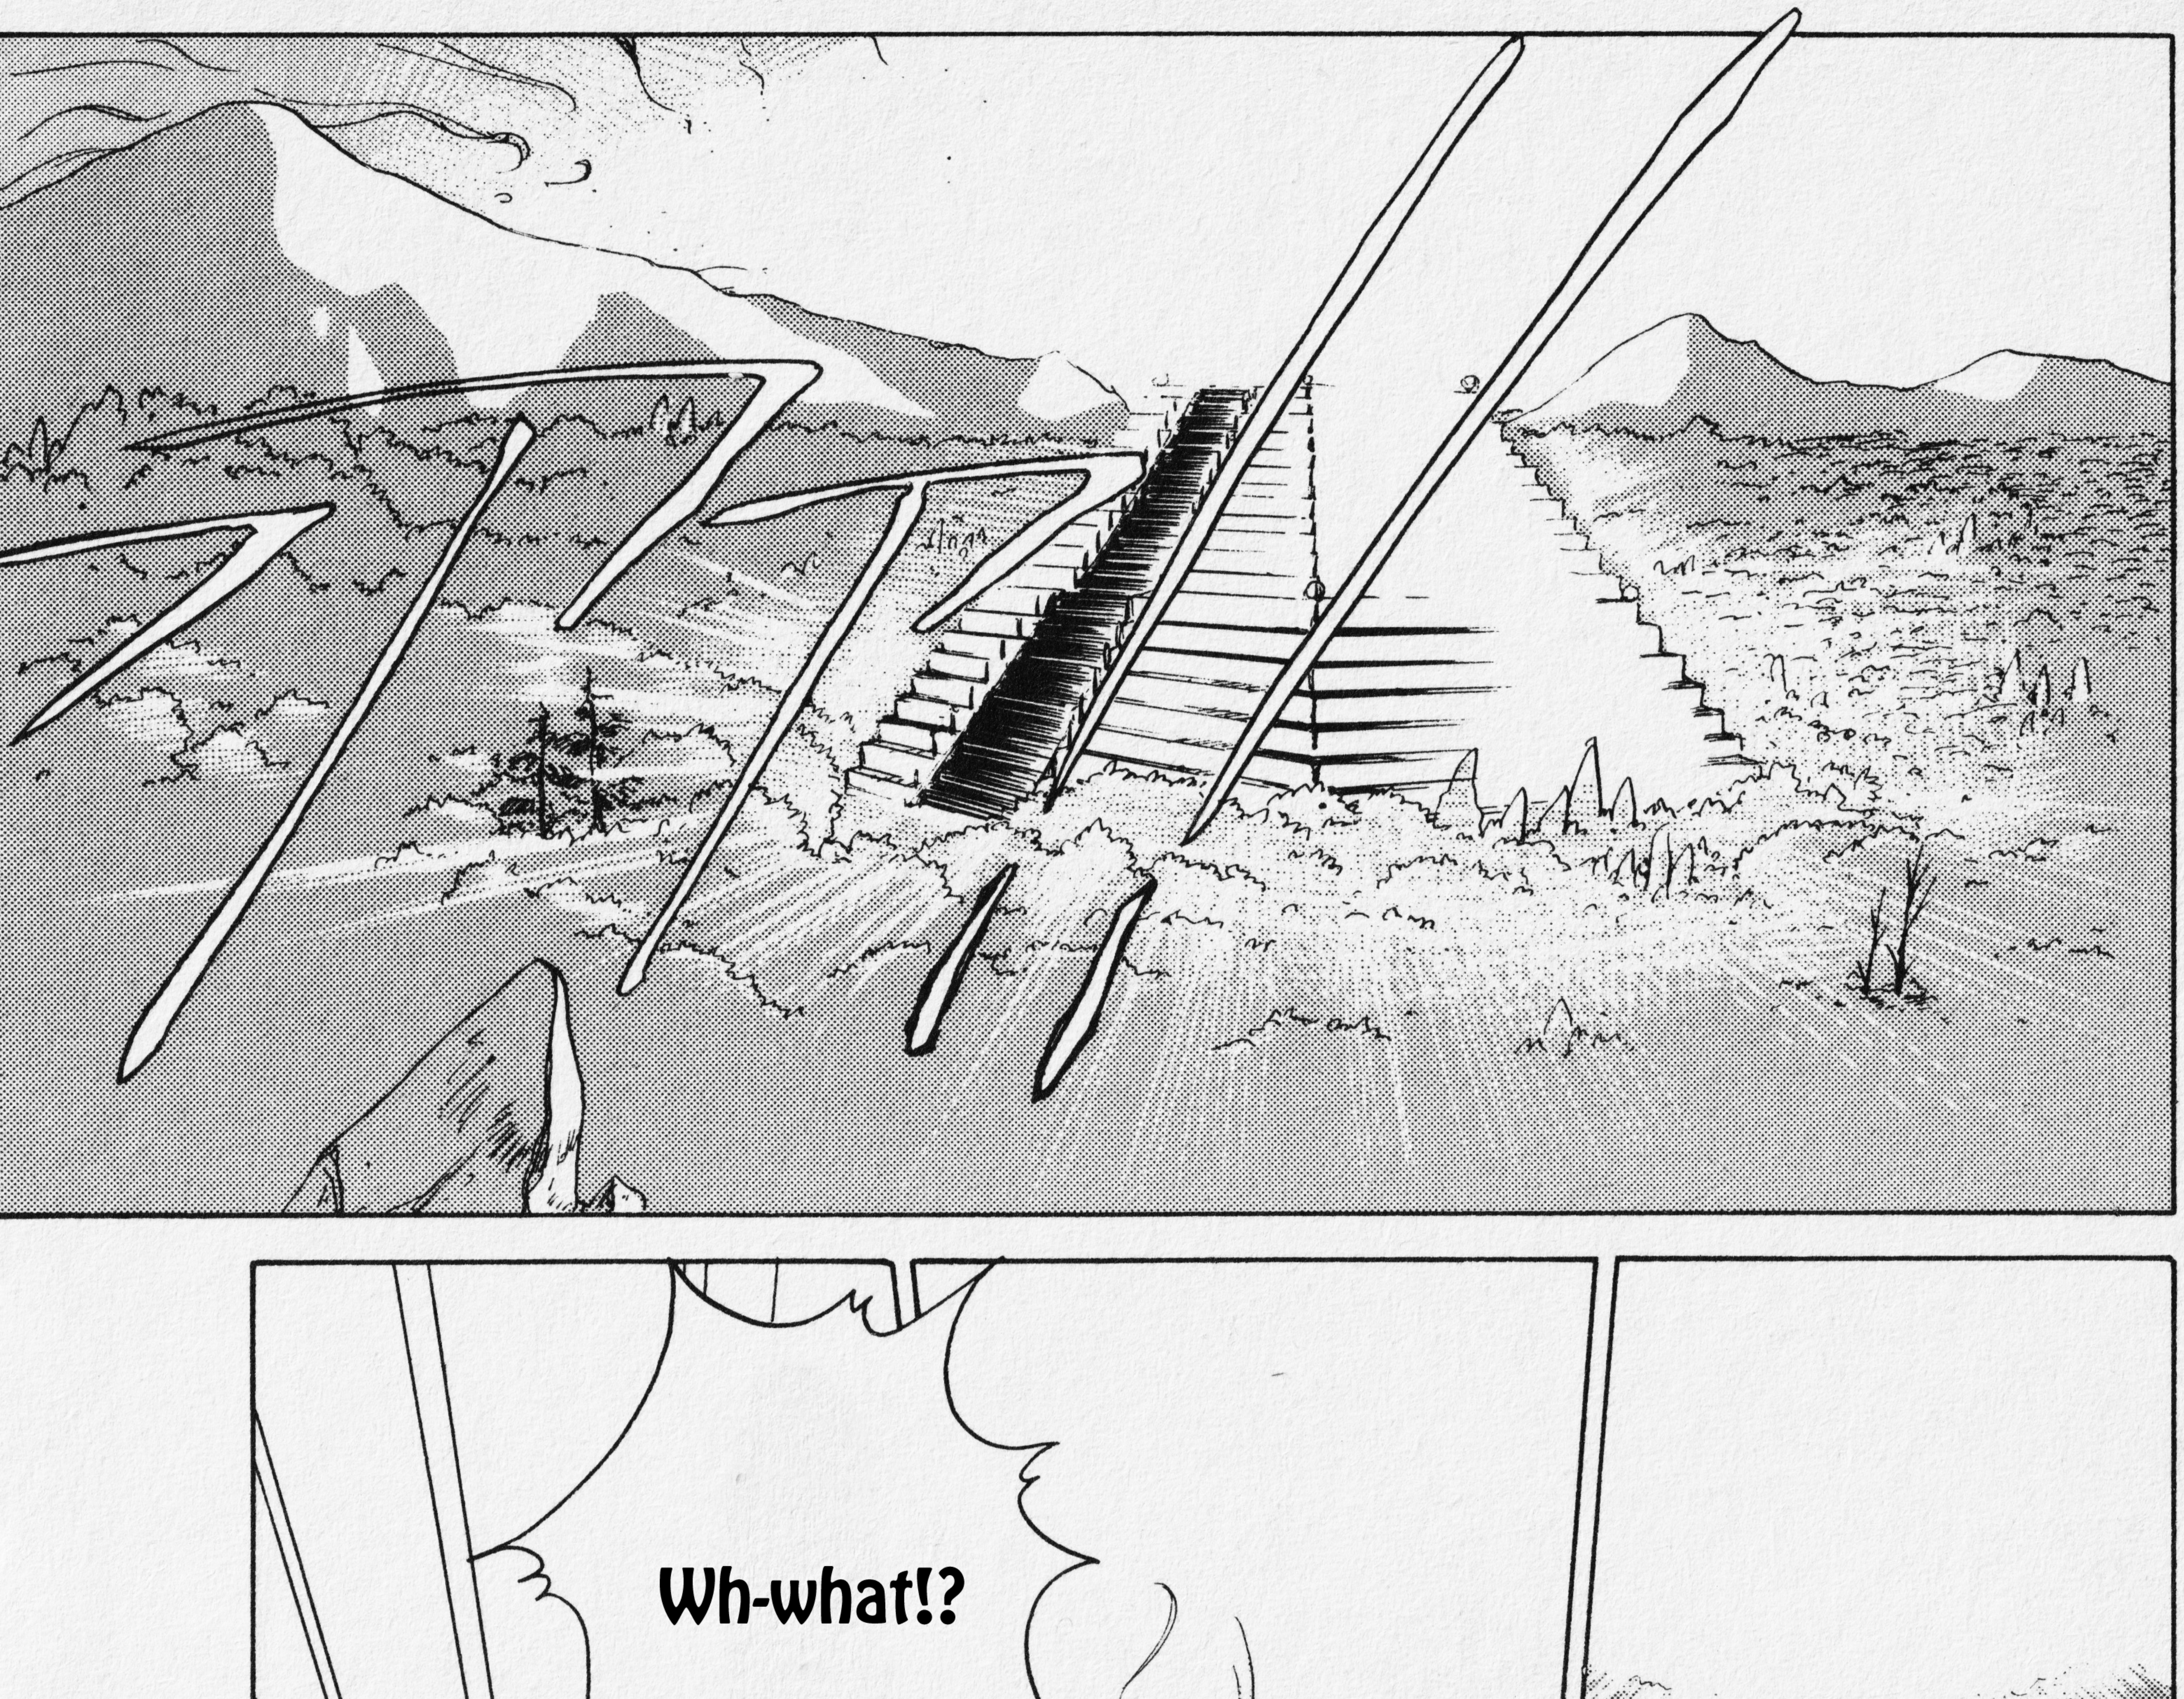
Grrrr-OINK!!
ドッ
No... It can't be!!
ザッ
ピクッ
オオオオオッ
There's no way this should be possible...!!
そんなハズは……!!

Heh, what's wrong?
What's with that face? Don't tell me this hurts.
ゴォ
オオオ!
trembling
No...
gulp
Eh heh heh...
H-help me!



D-dammit... Please, forgive me, hero!
w-what...
You're a noble hearted member of the Knight's Clan, right!?
If you are, I'll return the girl back to you!
gleam!

What was that ....
YOU FOOL! YOU DROPPED YOUR GUARD!!
!!
Heh



Wh-what!?

The dark sky! It's clearing up!
Ganon's curse has been broken!
We're back to normal too!!
Everyone!

Razul!
Goddess!!
Link never wavered, he fought bravely through it all.
闇の世界は

The Dark World has faded, and this land has once again become the Sacred Realm.

Thank you, Link!!

cough

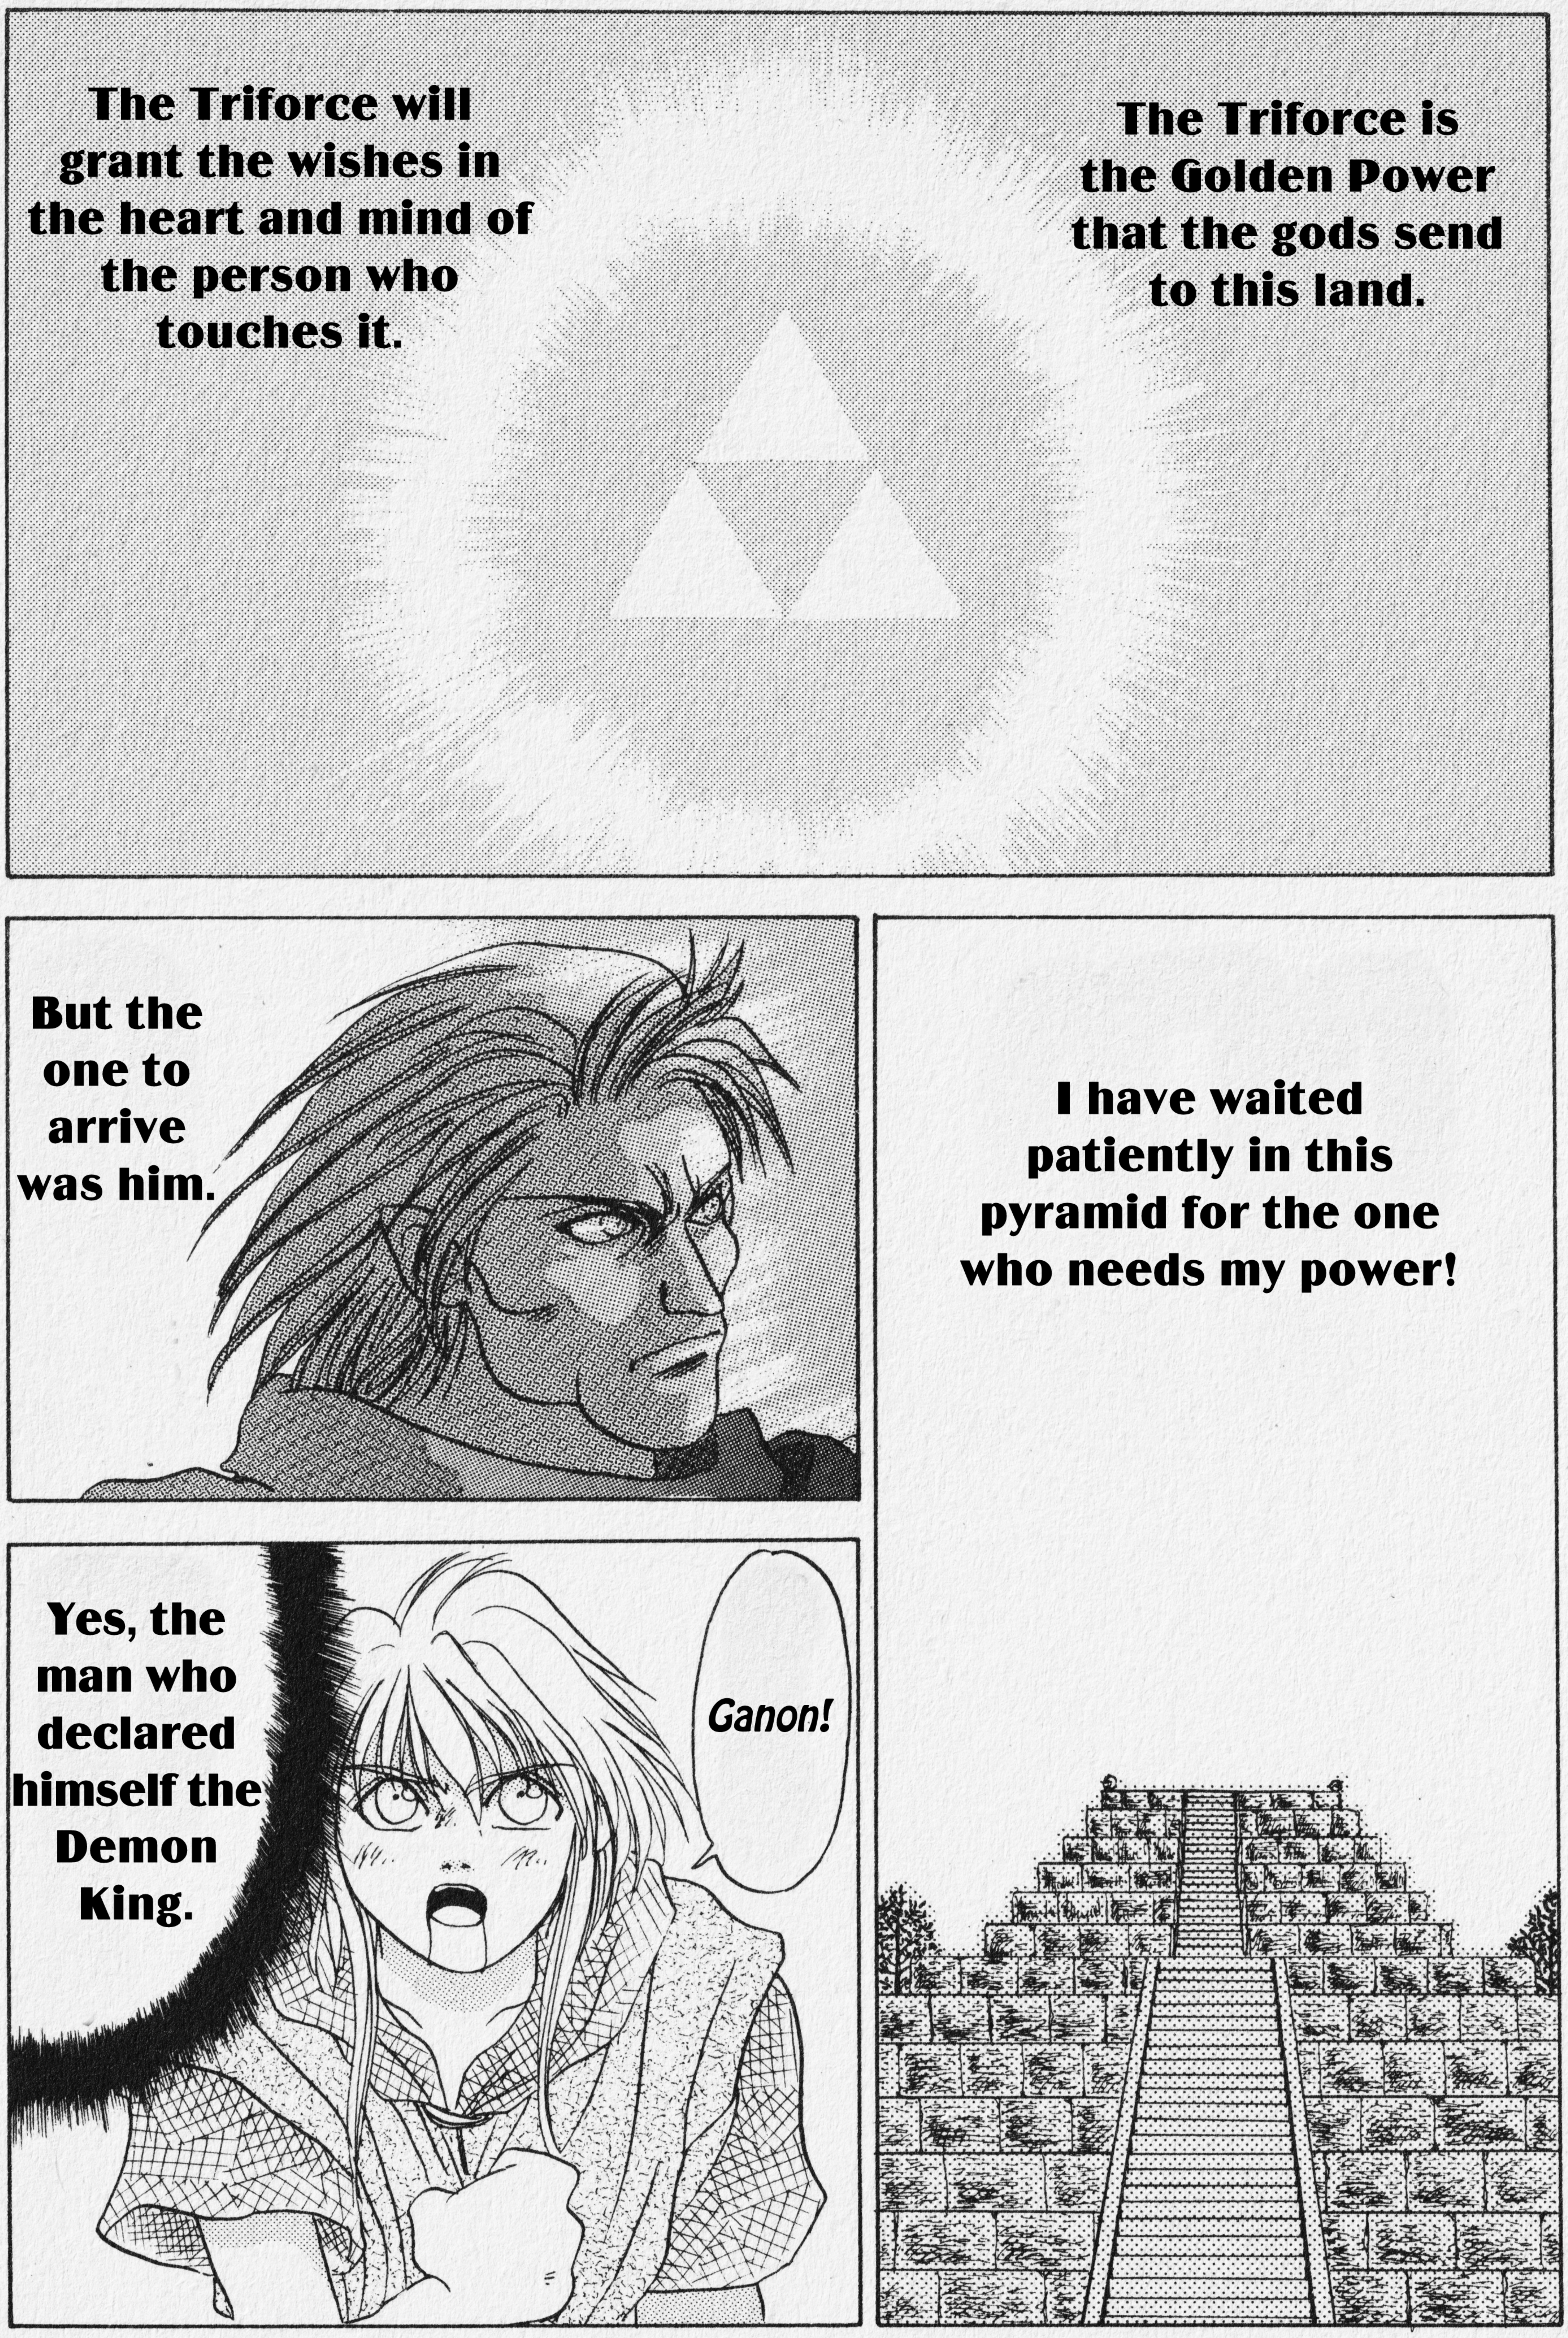
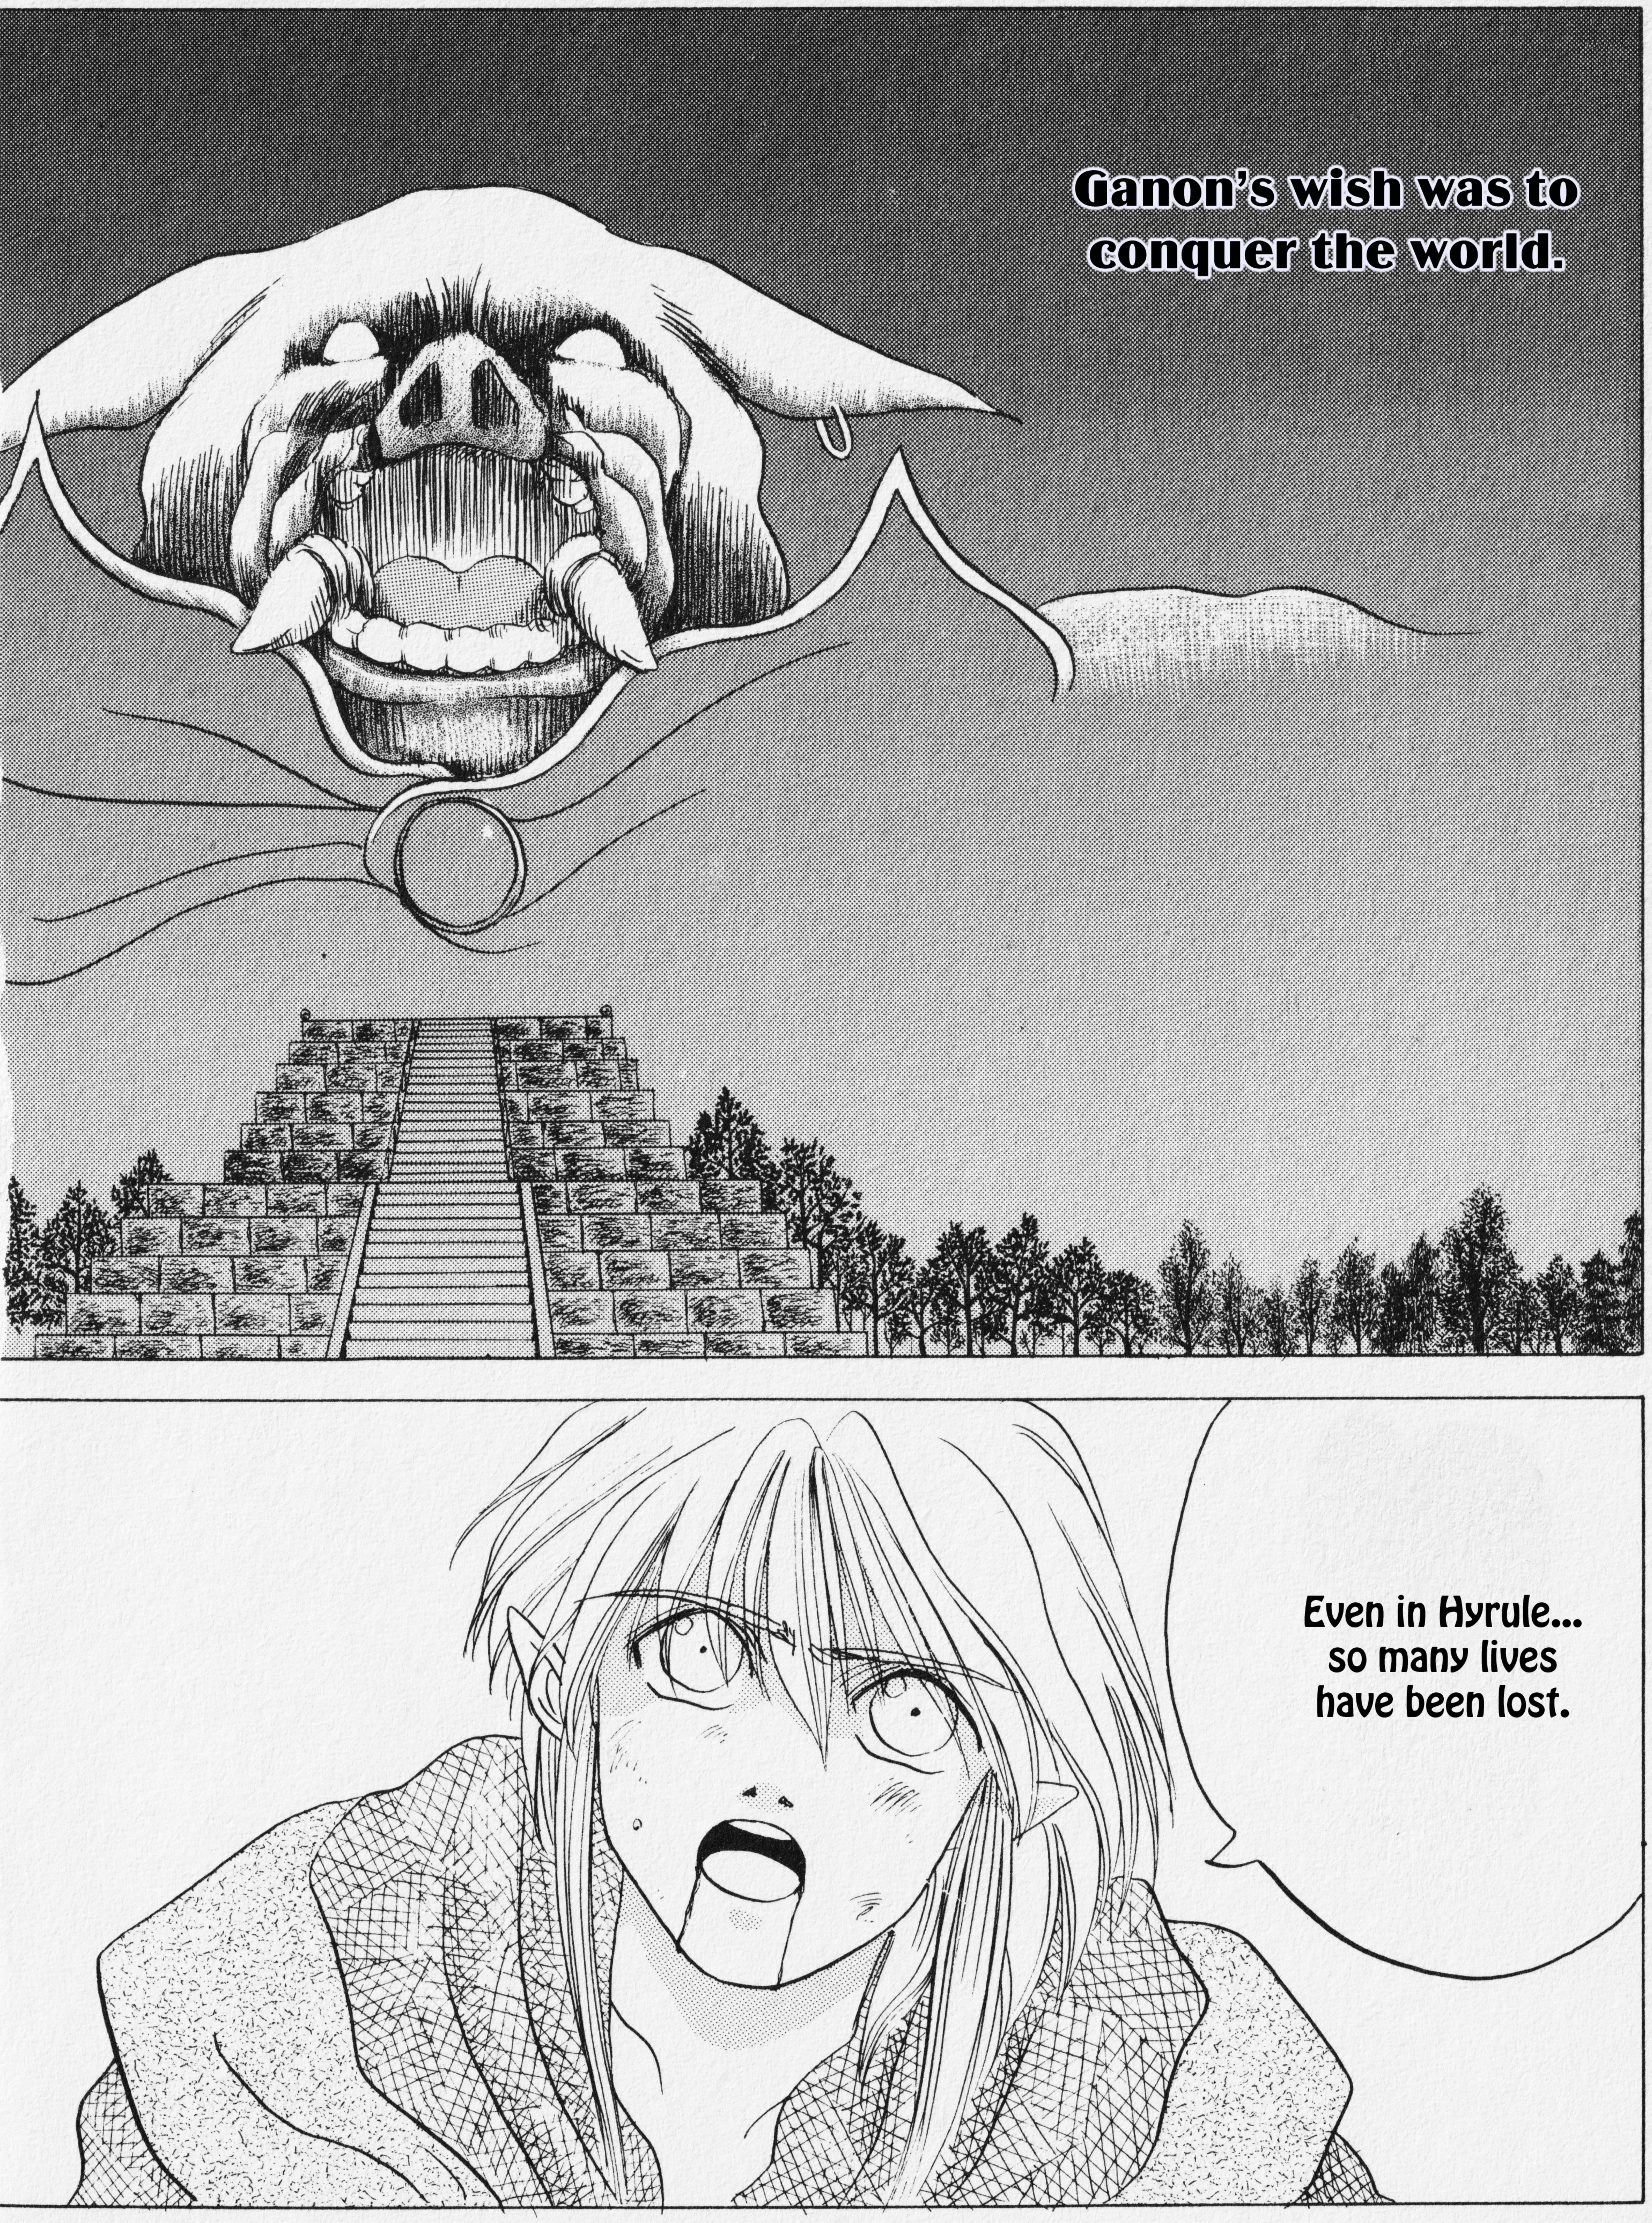
Whew.
Hah.
It's over.
ズキ

Oof.
wince
throb
ぺたん
It feels like my ribs are broken...
Oh yeah... Princess Zelda!
Be at ease. The seven sacrificial maidens have been returned to the World of Light.
Who!?
It is I.

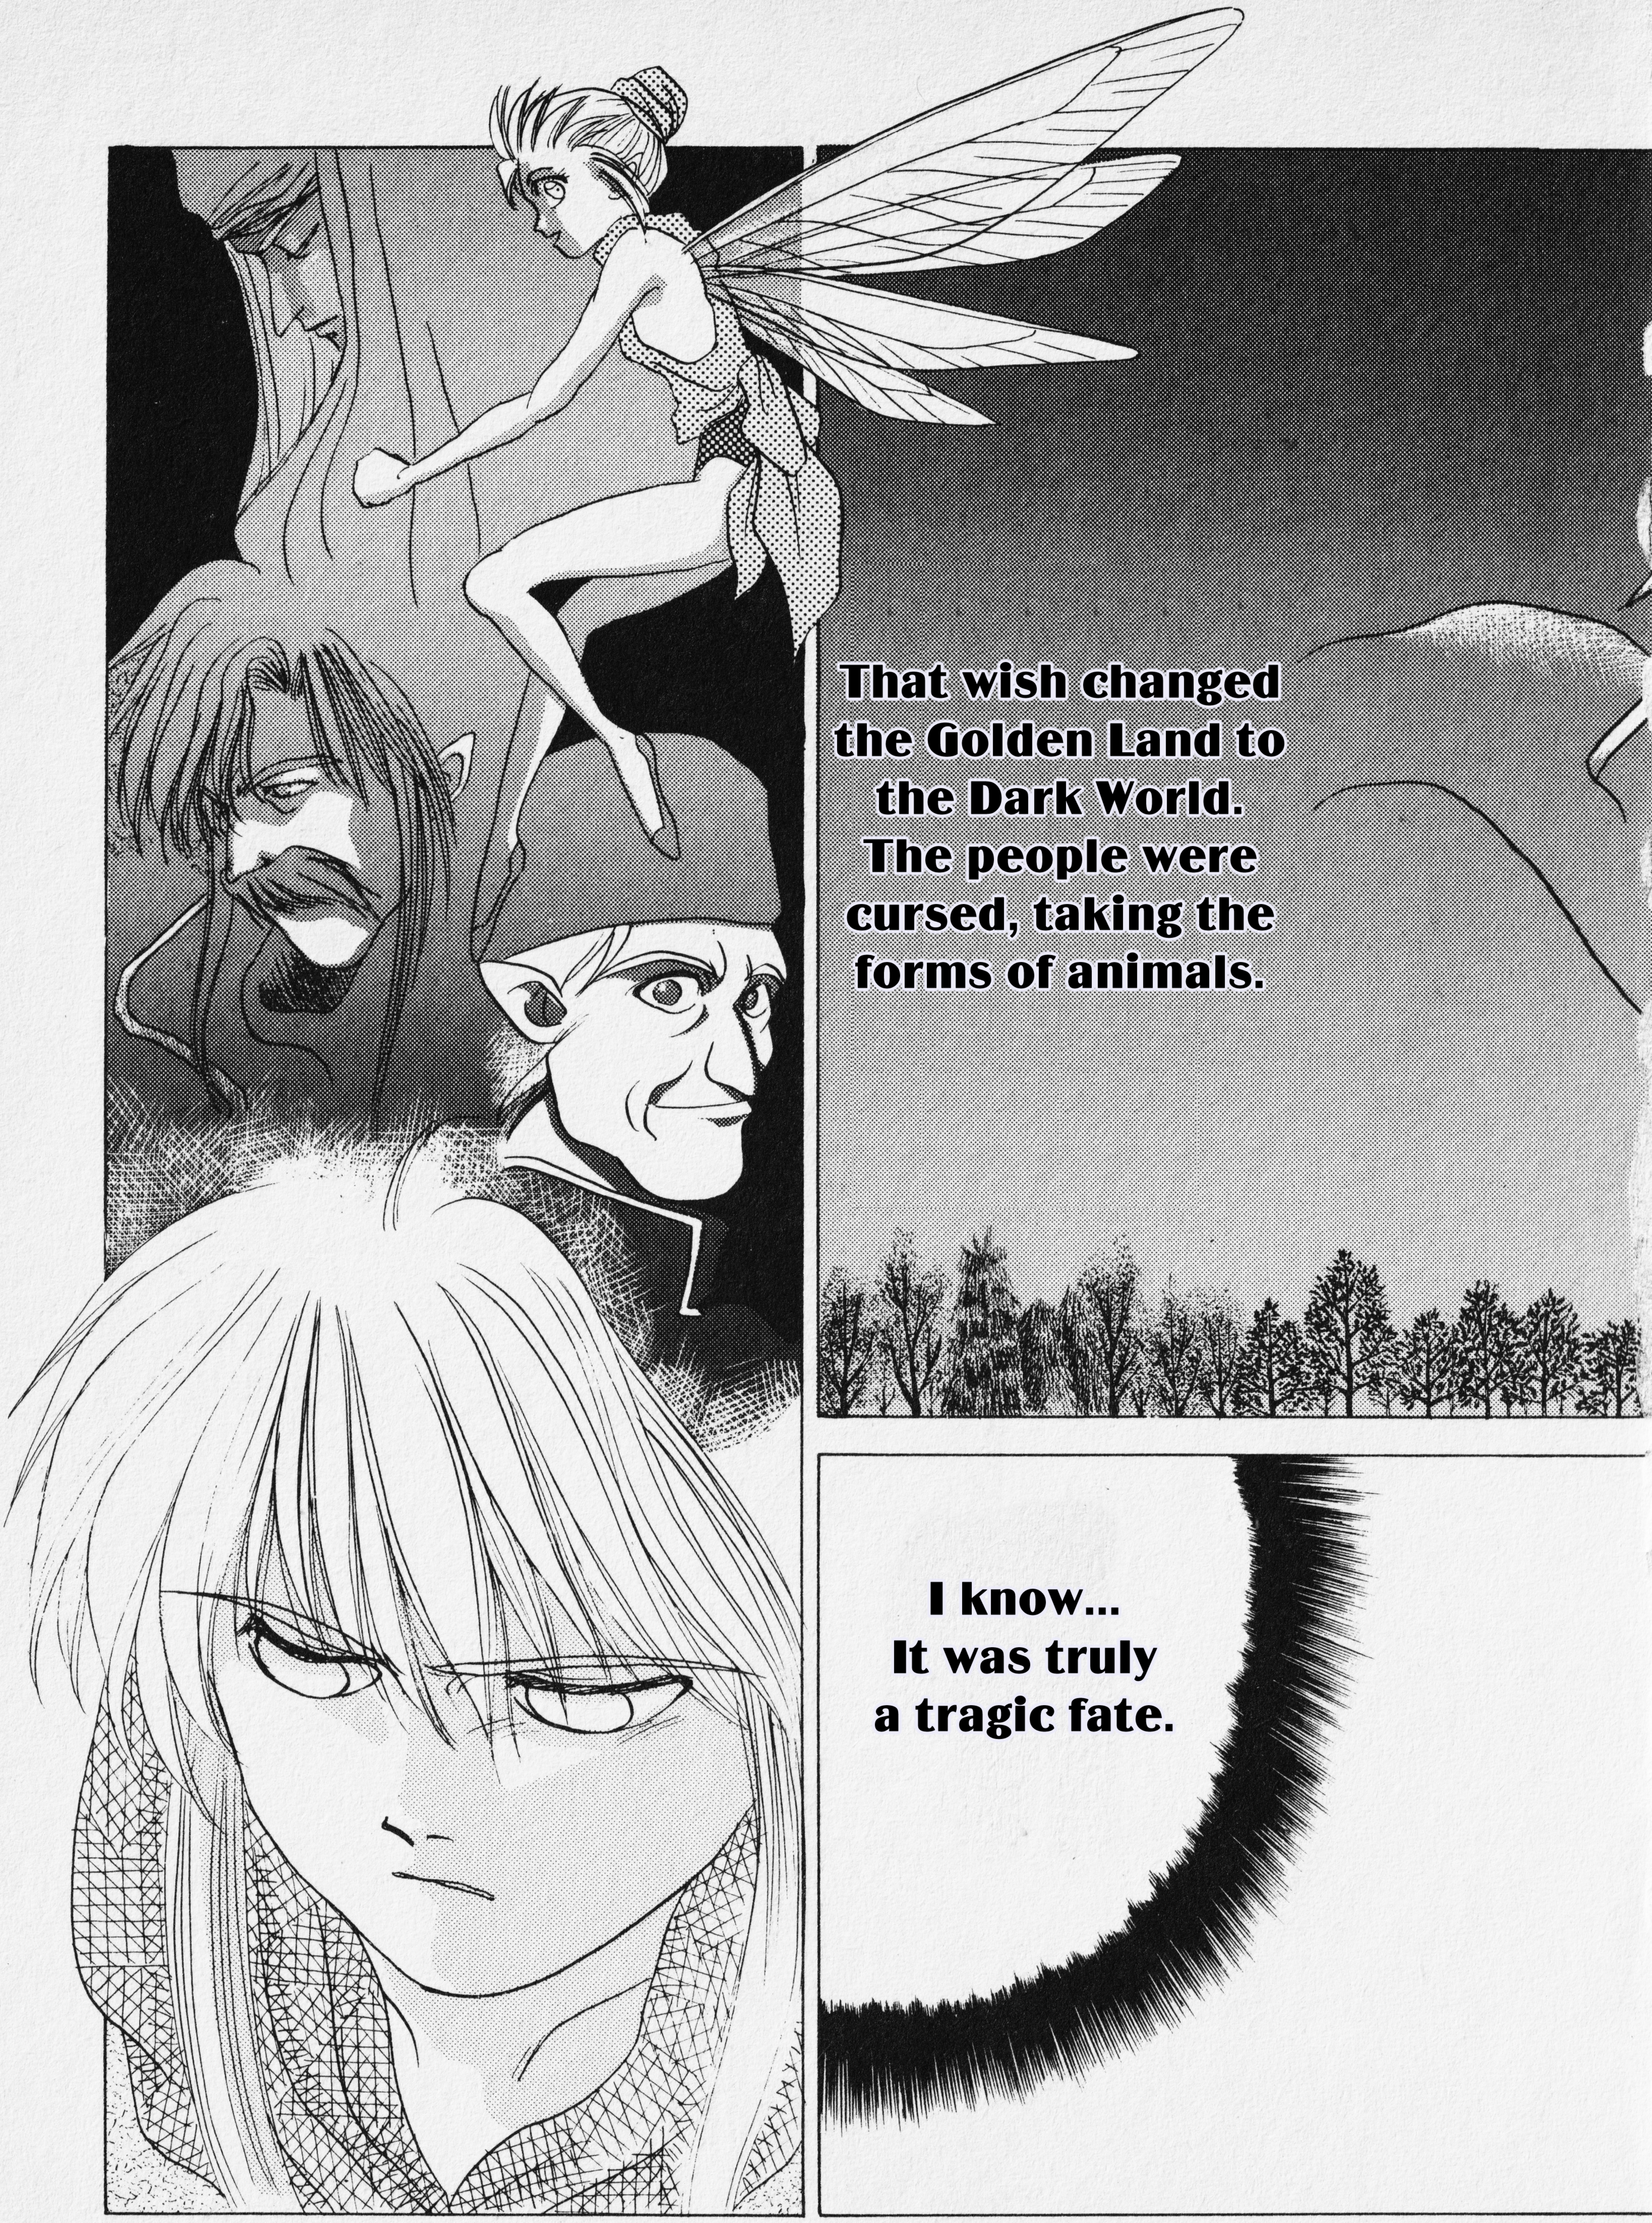
I am the Essence of the Triforce.
Link, your call awakened me.
I was trapped in a nightmare...
!



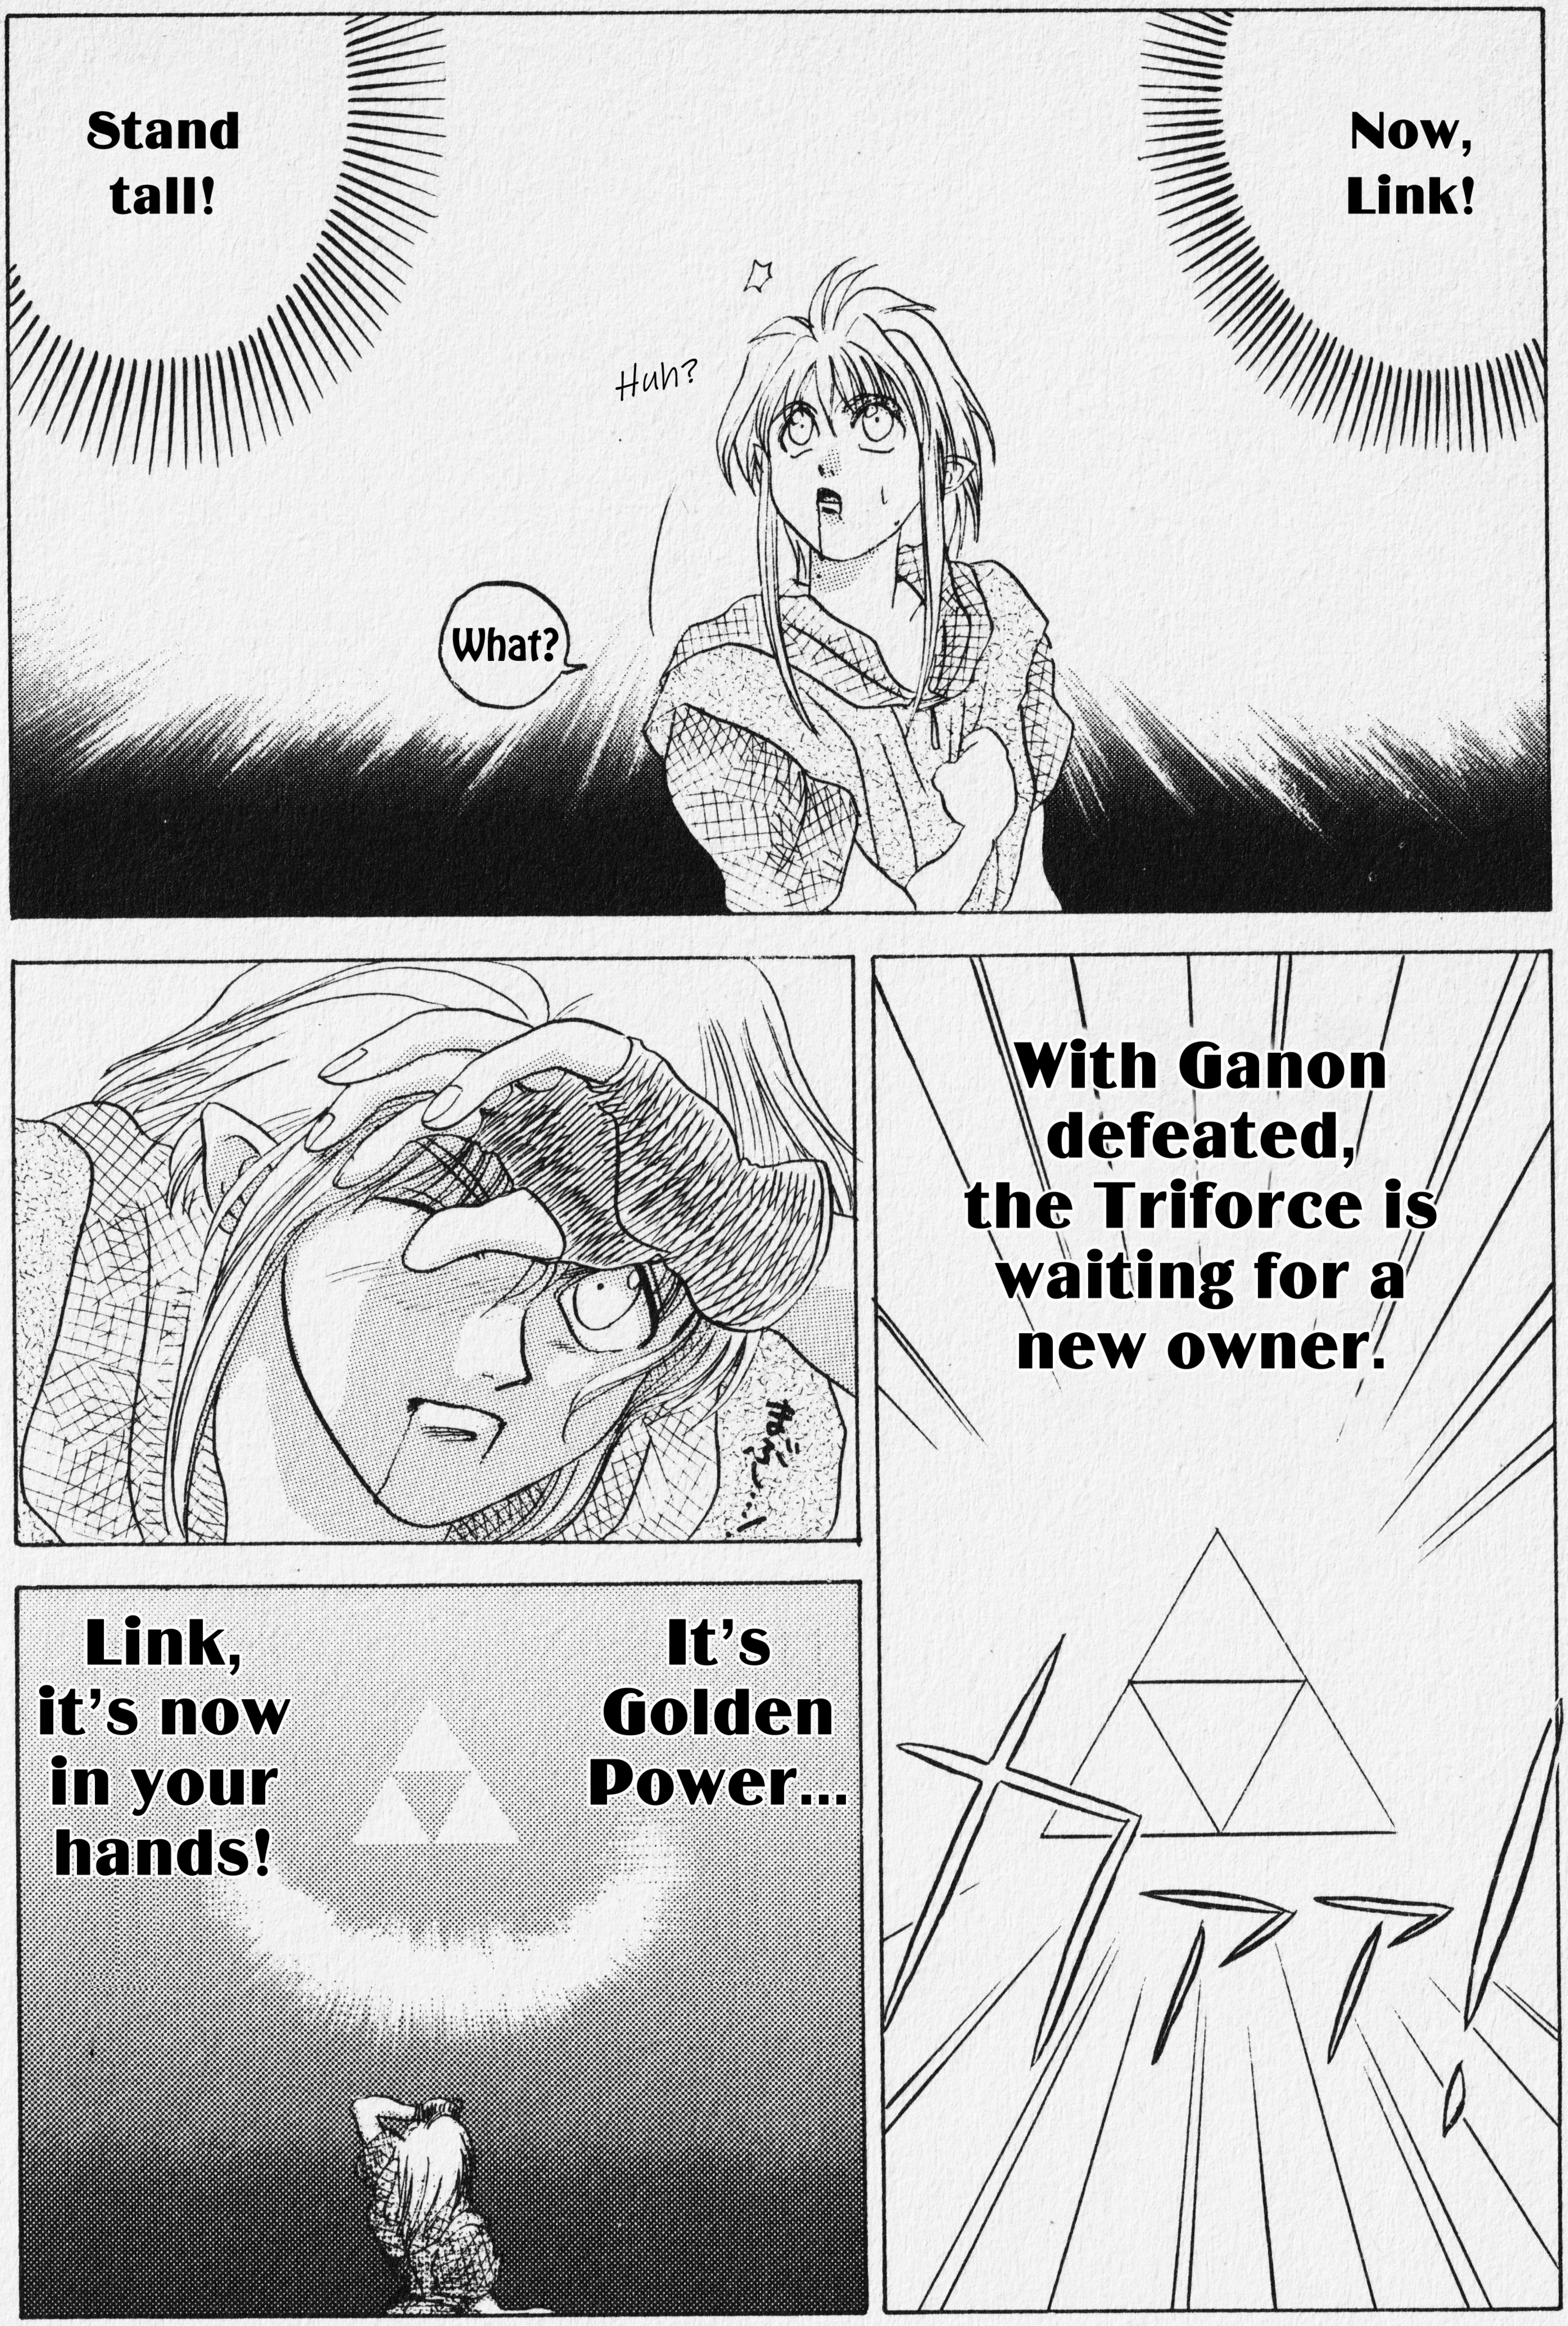
The Triforce is the Golden Power that the gods send to this land.
The Triforce will grant the wishes in the heart and mind of the person who touches it.
I have waited patiently in this pyramid for the one who needs my power!
But the one to arrive was him.
Ganon!
Yes, the man who declared himself the Demon King.



Ganon's wish was to conquer the world.
Even in Hyrule... so many lives have been lost.



That wish changed the Golden Land to the Dark World. The people were cursed, taking the forms of animals.
I know... It was truly a tragic fate.



Now, Link!
Stand tall!
Huh?
What?
With Ganon defeated, the Triforce is waiting for a new owner.
It's Golden Power...
Link, it's now in your hands!

Now come, stand up.
Ngh!
Endure the pain.
Come to me on your own two feet.
Link!
Stand!

The Golden Power is in your hands...
Now, touch it with a wish in your heart!
A wish... from my heart!

Oww ouch!
I'm at my limit here...
Tee hee!
You're so pathetic!

くす くす

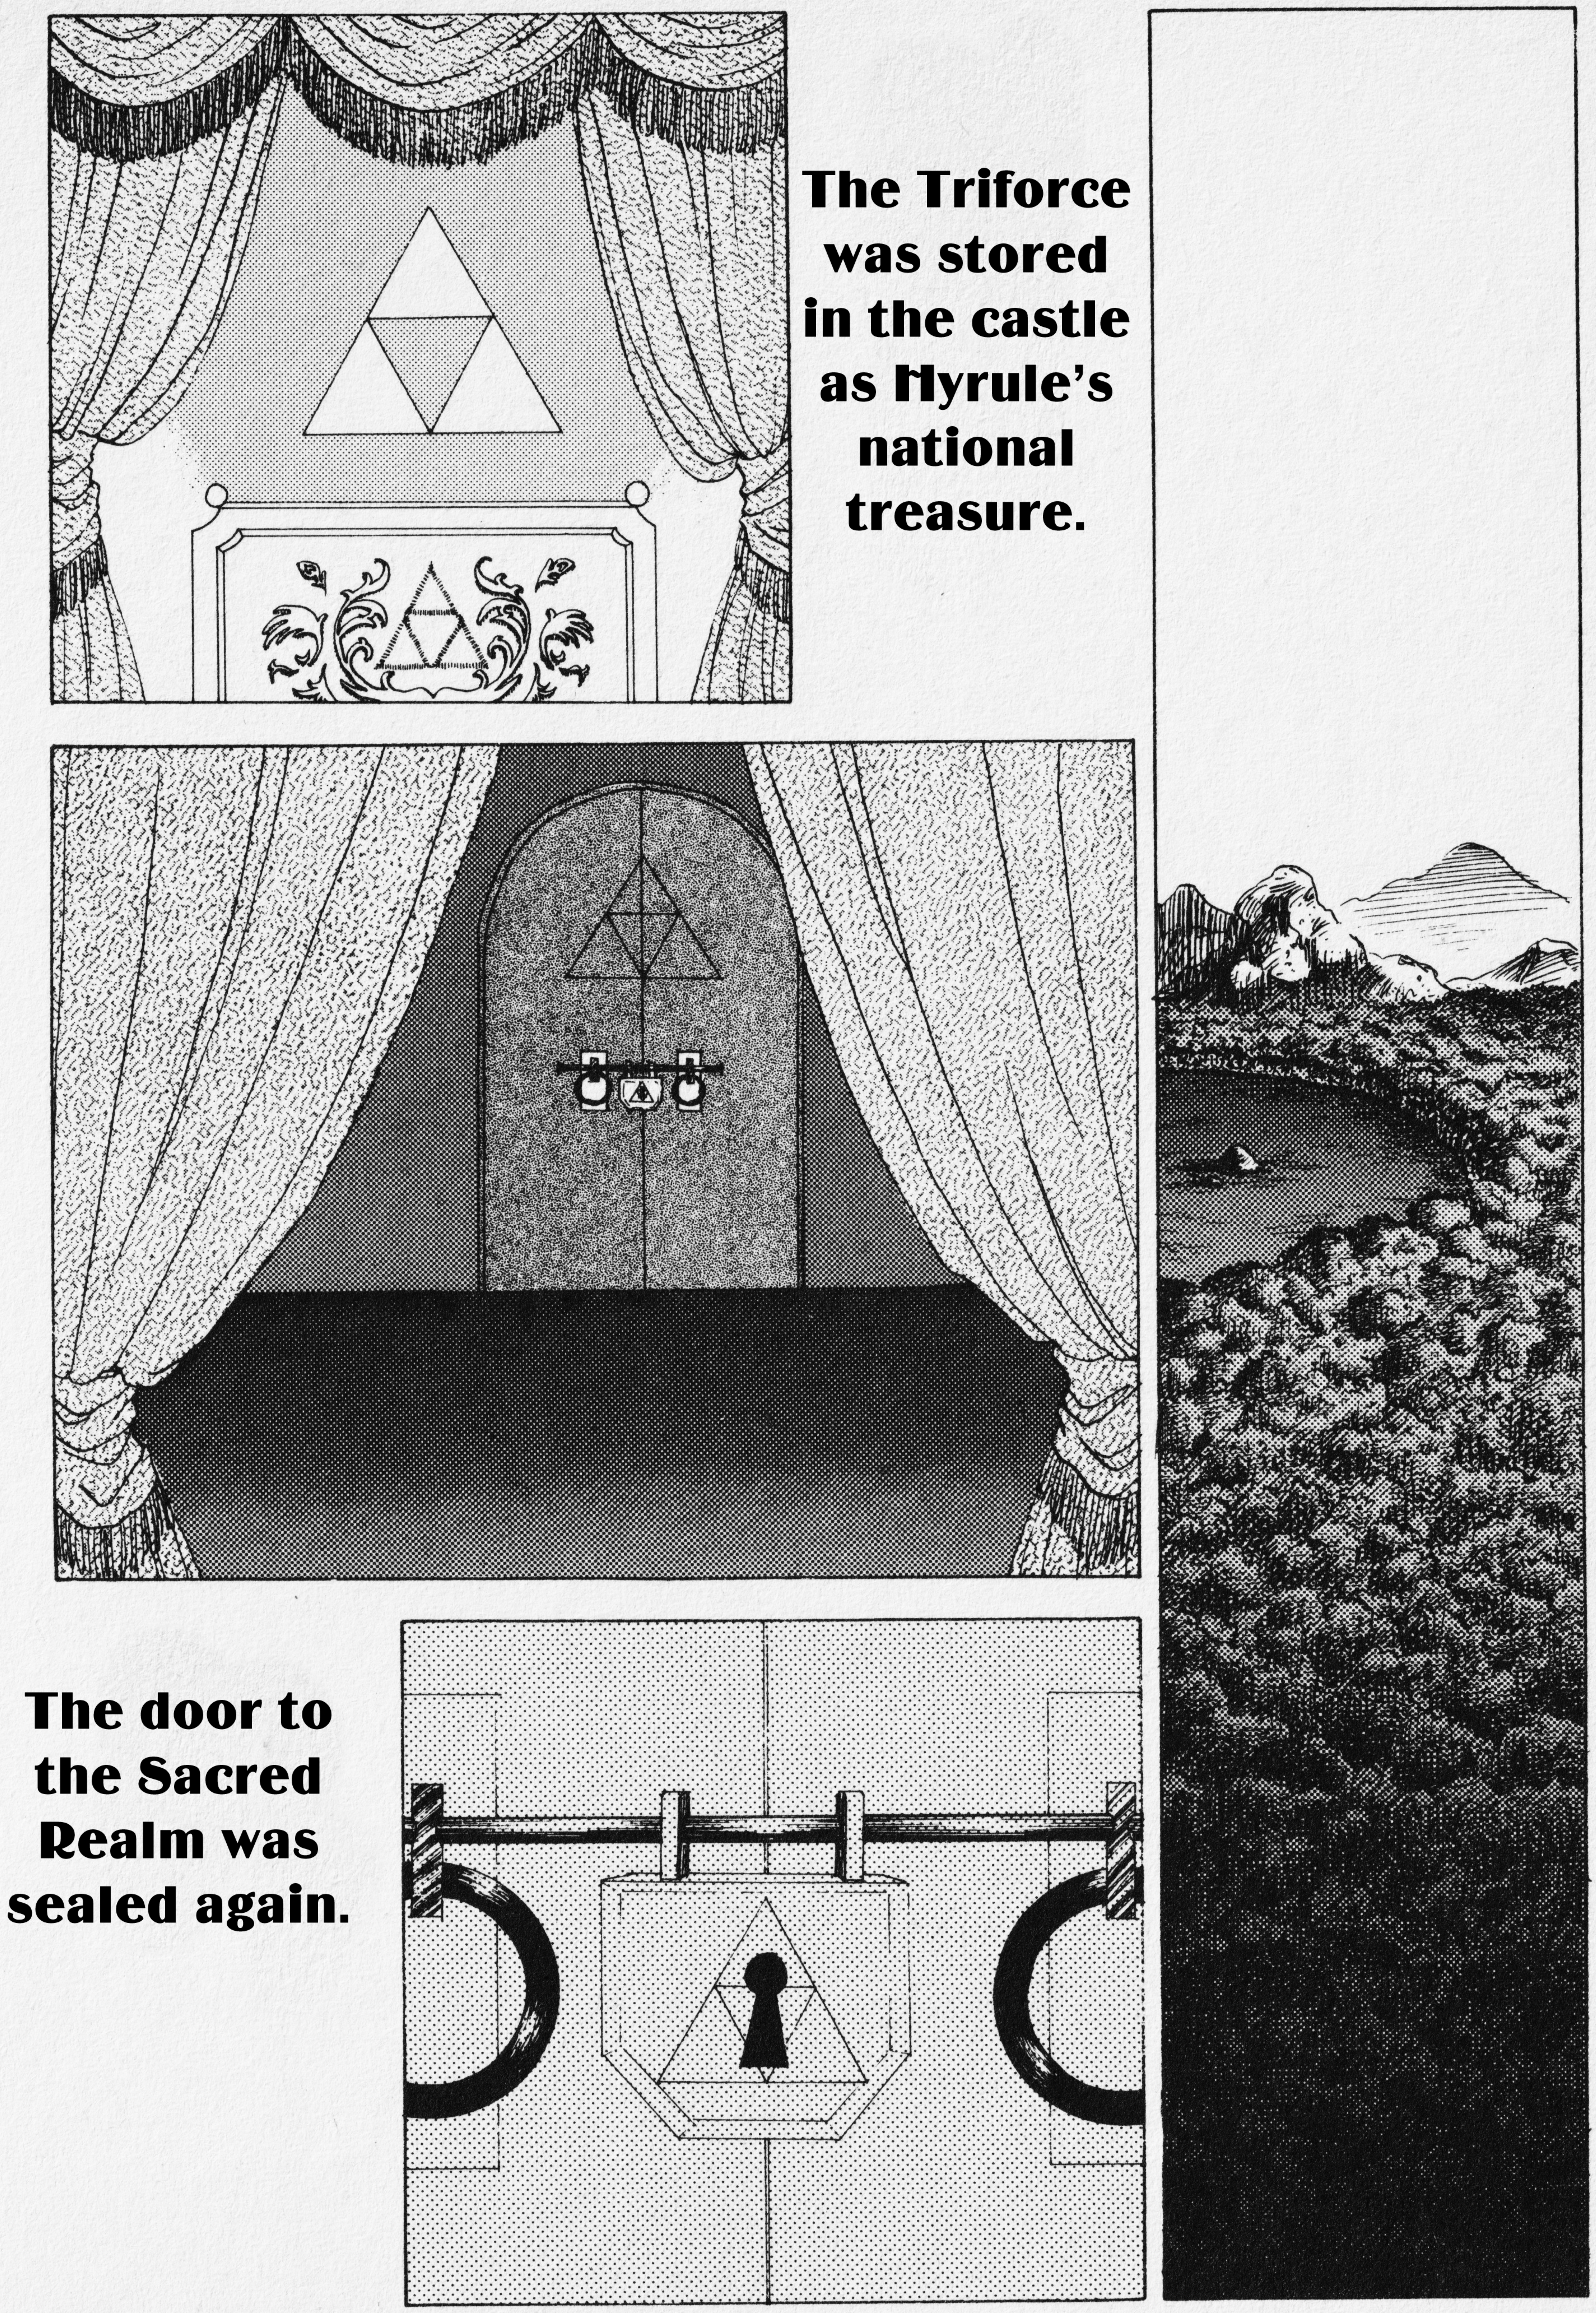
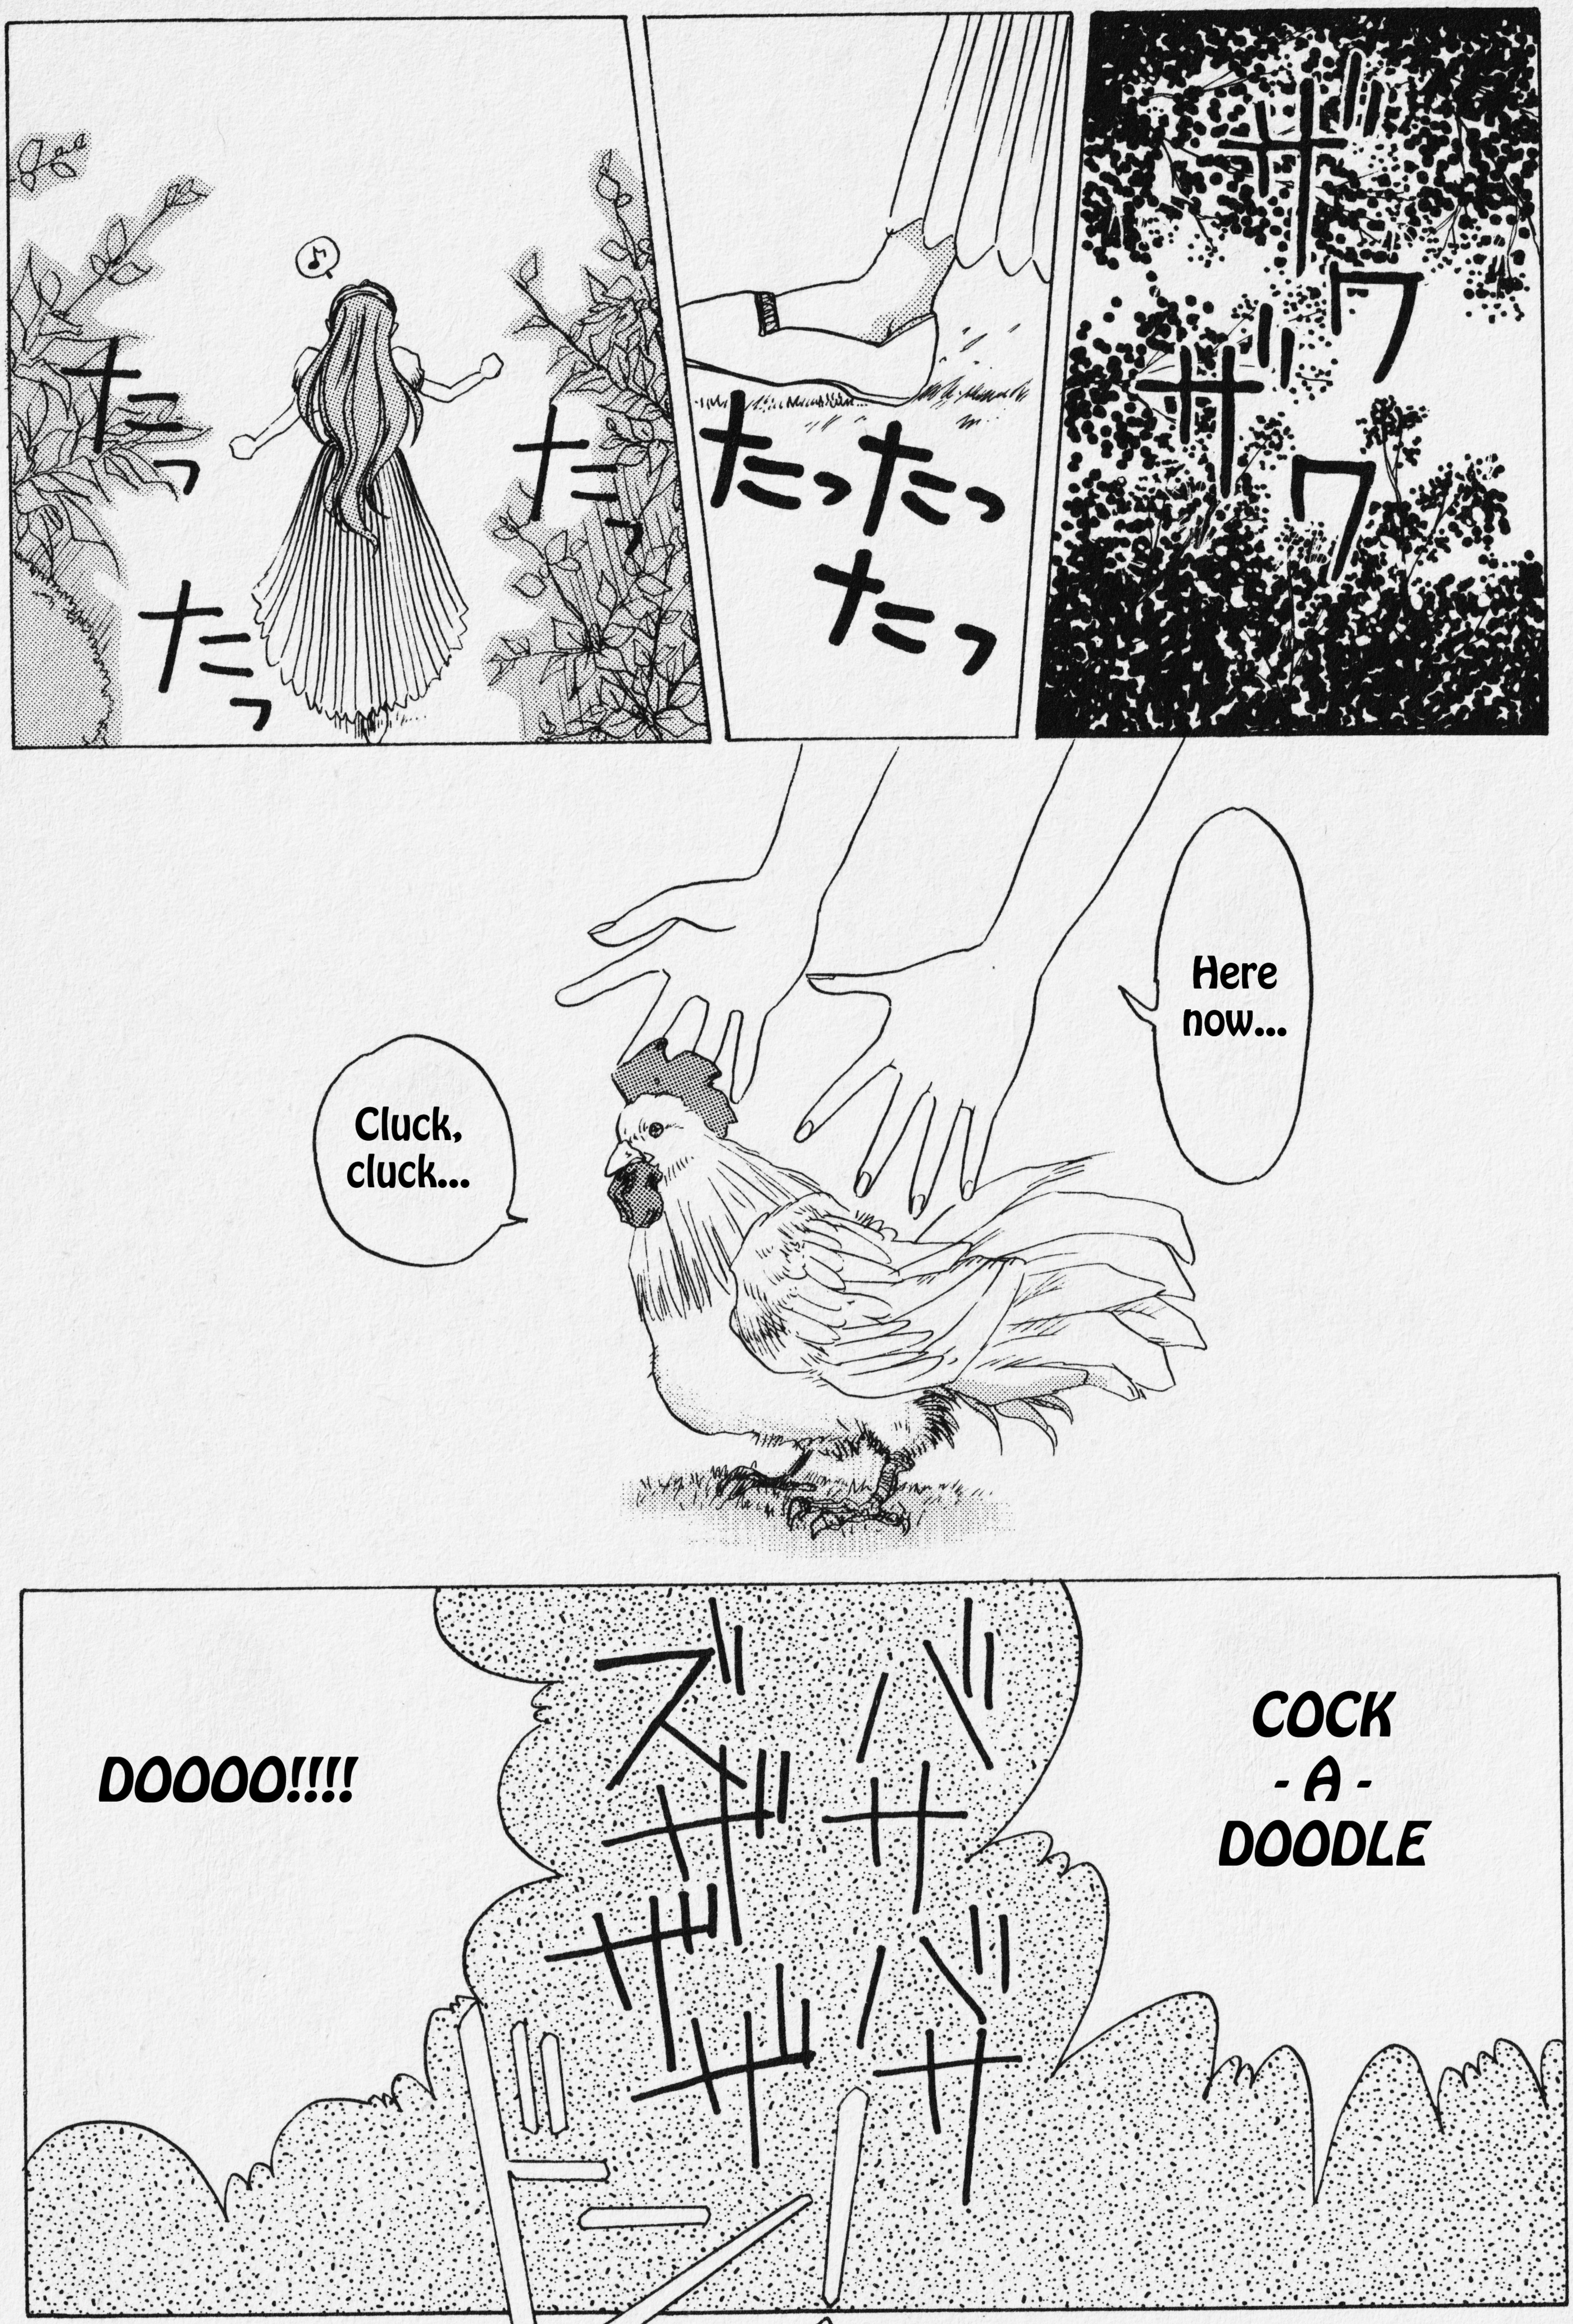
You're just falling apart!
Mi...
Mitchelle!!
Link!! Your ribs!?!?
ARGH!!
Tee hee, you dummy!

Well, I guess I have no choice!
What!? I went through a lot just to bring you back, you know!!
Ah, I'm all healed up!
Guess it's time to get back home.
Seriously ...
Link!
Hm?
Thank you!
!!



The Triforce was stored in the castle as Hyrule's national treasure.
The door to the Sacred Realm was sealed again.



ザワザワ

Here now...
Cluck, cluck...
COCK - A - DOODLE

....
Princess Zelda!!
Didn't I tell you to stop with the chickens!?
Hee hee!
Oh good, you look well!
My father and Father Graham were very grateful!
And I heard that your uncle, Demmy, also came back to life!!

Link acts so tough, but deep down he's just an honest boy, huh!
Bringing all those people back...
Shut up!
Still...
Why didn't Agahnim come back to life, I wonder...?
Wasn't he just being deceived?
He refused to come back to life.
Even if I was deceived, the things I've done are beyond any forgiveness. Please, let it end here.
Even so...
ガチャ
ガチャ
I bet that old guy's happy just being reunited with his wife in the afterlife...

What are you doing!?
I'm just returning something to the guardian of the forest.
I guess I have got nicer, huh.
Alright, let's head back!
Barbara's gonna be mad at us again!
Yeah!

.........AND
THE MASTER SWORD SLEEPS AGAIN
FOREVER!!
By the way, what was with the knight stuff?
I dunno.
